Von Grace Livingston Hill : Marcia Schulyer (Xist Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised Marcia Schulyer (Xist Classics):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Sweet storyVon CustomerA traditional story from another time but nevertheless refreshing in its simplicity. Some elements will be weird because it has no place in modern days and it might not be to every one s tastes but nevertheless one of

Livingstone' s better books.

She was immensely popular in the time that she wrote, contributing hundreds of novels and short stories during her lifetime. Her characters were most often young female ingenues, frequently strong Christian women or those who become so within the confines of the story. Grace's messages are quite simplistic in nature: good versus evil. As Grace believed the Bible was very clear about what was good and what was evil in life, she reflected that cut-and-dried design in her own works. She touched on subjects such as infidelity, defiance, hard-heartedness towards God, and deception, to name just a few. Grace wrote about them all and could manage a happy, or at least satisfactory, ending to any situation. Jesus, the ever-present (though unseen) reoccurring character, manages to heal or mend any situation Grace imagined. It was no wonder that in her days she was known as the "Queen of Christian Romance. " Her works include: The Girl from Montana (1908), The Mystery of Mary (1911) and Lo, Michael! (1913).
