Von Anna Antonia : Marcus's Mercy #1 (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Marcus's Mercy #1 (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Eine EinleitungVon BcherliebeEs war einmal ein gefhlloser Auftragskiller, der sich zwischen seinen Auftrgen die Zeit in einem einsamen Haus irgendwo in der Einde in Sibirien vertreiben mute. Dafur hat er kurzerhand ein einsames Mdchen in einer Kneipe aufgegabelt und mitgenommen. Wir ahnen schon, wo die Reise hingeht ... man verbringt die Zeit mit devoten Spielchen im Bett. Viel mehr an Handlung passiert in diesem ersten Teil erst einmal nicht. Immerhin sind die

vorgestellten Charaktere interessant genug, um die nächsten Teile auch zu verfolgen.

With no hope of ever connecting with someone, she finds the singular exception to her condition one night when becoming mesmerized by a man with poison-green eyes. A shared drink leads to Marguerite waking up in an airplane hanger and Marcus saying, I want to buy your time. Half a million a year. One year minimum. You leave the country tonight. What's your answer? And so begins the unconventional romance of an assassin and the girl who completely captures his heart _____ This is part one of a dark romance serial.
