Von Sandra Heath : Marigold's Marriages (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Marigold's Marriages (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A 'daffy' duck, standing stones, and a medieval curse add upVon Ein KundeBefore you settle in to read and savor this terrific story, there are several preparations you should make -- to enhance your enjoyment. First, make sure your chortle, chuckle and laugh-out-loud mechanisms are in good working order, and then -- and most important -- adjust your disbelief to 'suspend'. Completely. Once you've achieved that -- go ahead and open the book. You'll not be disappointed.This is a story that could not take place other than in England for a multitude of reasons; most noticeably the Roman history and the even older standing stones - in this case those of Avenbury.Poor Marigold Marchmont, seduced into marriage at the age of sixteen, and now widowed at the age of thirty, and pushed - literally - out of her inheritance, as well as that of her son's, by her husband's younger brother, Falk Arnold. Even his family attorney, Mr.

Crowe asserts that Marigold's first marriage was a sham. Having had to wait some two hundred years for the correct circumstances to arrive, Falk sets out to claim an earlier inheritance with the aid of a Druid charm. Falk (a version of falcon) has birds in his family tree, and all around him. Lord Rowan Avenbury's heritage, on the other hand, is trees, and between them the forces of nature are mighty indeed. Much to his amazement, and that of Marigold, who has charms and powers of her own, of which she is yet unaware, they suddenly find themselves married - to each other, irritating Alauda, Falk's sister, who had been very friendly indeed with Rowan. Marigold's son Peregrine attends Eton, where his best friend is the young Percy Bysshe Shelley, whose propensity for chemical experiments blends nicely with his knowledge of ancient Druid curses, especially those in the Avenbury family. When they come to recuperate from the chicken pox (naturally!) at Avenbury, Sir Francis Drake - a truly demon duck - joins them, and the fun begins. Spells, charms, wizards, birds galore, and an abundance of humor will delight you as you rapidly turn the pages of this enchanting book. In the process, you'll learn more about English avian and forest life than you ever dreamed possible -- but in a most enjoyable fashion. You won't soon forget Sir Francis, either. Sandra Heath is truly a creative genius, never more so than here. Von 0 Kunden fanden die folgende Rezension hilfreich. Wizardry and hot romance from a top Regency author! Von Jo Manning British writer Sandra Heath is one of the Regency genre's most imaginative authors. In Marigold's Marriages, an old Druid curse manifests itself in a particularly evil way, menacing the growing love between the widowed Marigold and the handsome nobleman Rowan. Together they must fight the evil forces of an ancient spell which threatens not only them, but Marigold's son, Perry, and the entire village of Avenbury. Fast-paced, lively, and utterly different, it's a good introduction to Sandra Heath's style for new readers, and an affirmation of her continuing growth towards the direction of fantasy romance for all her many fans. An excellent cross-over book for science fiction/fantasy readers, too.

Kurzbeschreibung Marigold Arnold was cheated out of her inheritance by a forged will declaring her marriage a sham. Her name in tatters, and her son declared illegitimate, she had lost everything. But Lord Avenbury was under threat of a druidic curse which would see him dead within the month, so he offered marriage to the widow. Then all sorts of strange thing started happening Regency Romance Paranormal by Sandra Heath; originally published by Signet Kurzbeschreibung Marigold Arnold was cheated out of her inheritance by a forged will declaring her marriage a sham.
