Von S.J.A. Turney : Marius' Mules III: Gallia Invicta (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Marius' Mules III: Gallia Invicta (English Edition):

KurzbeschreibungIt is 56 BC. As Fronto and his friends winter in Rome and Caesar in Illyricum, trouble is brewing in the north. The tribes of Armorica, driven to desperate action by the harsh rule of Crassus, raise their standards in defiance of the Roman eagle, causing a chain reaction that threatens everything the legions of Caesar have achieved. Can the general's commanders stamp out the fires of rebellion before the whole of Gaul is ablaze? Meanwhile, in Rome, the conspiracies against Caesar take an unexpected turn, plunging Fronto and his friends into a world of crime, violence and intrigue that threaten everything the legate cares about. The city is in turmoil and the republic is teetering on the brink of disaster. In a year that takes the legions and their commanders to the heaving Atlantic Ocean, the treacherous valleys of the Pyrenees, and the seething underbelly of the greatest city in the world, everything is about to change for Marcus Falerius Fronto.

ber den Autor und weitere MitwirkendeI live with my wife, my son and two (close approximations of) dogs in rural North Yorkshire, where my wife and I both grew up, surrounded by friends and family. A born and bred Yorkshireman with a love of the country, I cannot envisage spending my life anywhere else, though my anchor is sometimes tested as the wanderlust hits and we travel wherever I can find the breathtaking remains of the classical world. I have a love of travel and history, architecture and writing and those four interact well enough to keep me almost permanently busy. Since leaving school and University, I have tried a great number of careers, including car sales, insurance, software engineering, computer network management, civil service and even painting and decorating sales. I have lived in four counties and travelled as widely as time and budget allowed and find myself, on the cusp of my fortieth year, back where I began and finally doing something I love. Having written a number of unpublished short stories in my early days, I decided back in 2003 to try and write a full length novel. That was the start of Marius' Mules. Being a lover of Roman history, I decided to combine my love of writing and my love of classical history. Marius' Mules was followed two years later by Interregnum, my attempt to create a new fantasy story still with a heavy flavour of Rome. Since then, the success and popularity of both has spawned sequels to each work, with three tales in each series so far and more planned.
