HausbergWith the addition of the Roman politics and the familiar development of Fronto the series gets much more colour and depth and makes really good reading. I like the way how the things are

not so black and white anymore, right and wrong, good and bad is more a matter of perspective.0 von 0 Kunden fanden die folgende Rezension hilfreich. Klasse Geschichte Von Michael Raab Der Autor schreibt einfach klasse. Eine gute Mischung aus Fact and Fiction. In einer Liga mit Scarrow und Doherty, Kann ich nur empfehlen allerdings lese ich die Bcher nur in der original Sprache.

Kurzbeschreibung 55 BC and Caesar's army gathers in the north of Gaul, preparing to drive invading Germanic peoples from Gaul and to traverse the dangerous northern ocean bringing punishment to the tribes of Britannia for their assistance of Gaulish rebels. But Fronto's troubles don't stop there. As his burgeoning relationship with Lucilia steps to a new level, so do his responsibilities at home, a situation exacerbated by the disruptive influence of the villainous Clodius in the city, causing trouble and endangering those about whom Fronto cares most. With two troublesome new centurions, a selection of worthless and argumentative senior officers and the suspicious deaths of a number of notables, Fronto's year is about to take a turn for the unexpected.

ber den Autor und weitere Mitwirkende I live with my wife, my son and two (close approximations of) dogs in rural North Yorkshire, where my wife and I both grew up, surrounded by friends and family. A born and bred Yorkshireman with a love of the country, I cannot envisage spending my life anywhere else, though my anchor is sometimes tested as the wanderlust hits and we travel wherever I can find the breathtaking remains of the classical world. I have a love of travel and history, architecture and writing and those four interact well enough to keep me almost permanently busy. Since leaving school and University, I have tried a great number of careers, including car sales, insurance, software engineering, computer network management, civil service and even painting and decorating sales. I have lived in four counties and travelled as widely as time and budget allowed and find myself, on the cusp of my fortieth year, back where I began and finally doing something I love. Having written a number of unpublished short stories in my early days, I decided back in 2003 to try and write a full length novel. That was the start of Marius' Mules. Being a lover of Roman history, I decided to combine my love of writing and my love of classical history. Marius' Mules was followed two years later by Interregnum, my attempt to create a new fantasy story still with a heavy flavour of Rome. Since then, the success and popularity of both has spawned sequels to each work, with three or more tales in each series so far and more planned.
