Fantastic end to an fantastic seriesVon Little MI really hate this situation, when you can't stop reading, because the story is soooo good, but if you'd finished the book - well, then it's over.Through all the other books of the dark protectors series we've watched Janie and Zane grow up. And now finally, they meet in person. When Janie finally found out what Zane is, it was like "OMG". And from that moment on, I just couldn't stop reading. The way Zane tries to protect

those he loves, makes you love him even more. And of course there's the final showdown: the unsuccessful peace-negotiation, the faster virus (that now attacks its actual aim), the war between vampires / witches / shifters vs demons vs Kurjans...The book was just the perfect type of action / romance novel!!!!Although I loved all the couples, this story is definitely my most favourite book!!!And on one hand, it's so sad, that the story's over, on the other - it was just great. Too many books probably mean repetition. But the epilogue hinted at another book.. so maybe a new series?!?!

Kurzbeschreibung Janie Kayrs has known Zane almost her whole life. He was her friend in the dream world. She trusted him. But that was before he kidnapped her, spirited her away to an isolated cabin to learn what her dreams never told her. Like how dangerous he looks. How he got on the wrong side of the negotiating table. And how much sexier he is in real life. . .Zane is a battle-hardened warrior, used to command and solitude. But Janie has drawn him from the minute they met. His need for her could destroy everything he's worked for, but the risk is too sweet not to take it. They call her the Chosen One. But when it comes down to the questions of peace or war, life or death, safety or passion, it will be Janie who makes the choice. . .Love is about to start conquering. . . "Paranormal romance at its best!" Cynthia Eden "Hot and fast from beginning to end." Kate Douglas on Fated "Sizzling sex scenes and a memorable cast."
