KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Nette berraschungVon lesespasWegen der guten Bewertung habe ich es mir runtergeladen. Ich mag Bcher mit mehr als 200

Seiten! Erwartet hatte ich eine nette kleine Liebesgeschichte, so wie der Anfang es vermuten lässt. Bekommen habe ich eine flotte, rasante gut erzählte Liebesgeschichte mit Thriller. Ein rasanter, sehr unterhaltsamer Lesespass, der sich selbst nicht so bierernst nimmt! 1 von 1 Kunden fanden die folgende Rezension hilfreich. just great Von Simone Haeseler Its just a Great Book. Great Couple, Great Story, funny, Plot, nothing Bad to say. I really liked Lily, she was tough, funny and Most of all she did Not complain all the Time. A Book i would by again! 0 von 0 Kunden fanden die folgende Rezension hilfreich. I loved every second of it.. Von Book-Addict Initially I got this book because the Kindle Version was for free and I didn't really expect to particularly like it.. but I was proven wrong! Lily is a very kind though sometimes naive person, who was beaten by her ex-boyfriend so she moves back in with her parents. The new neighbor Jay is a scary looking guy with scars all over his body and probably (even though it is superficial) not exactly the type of guy you would embrace in your neighborhood. Of course, with her bad experience in mind, Lily is kind of scared in the beginning but she soon begins to like Jay, which he desperately tries to avoid. There are many dark secrets he has to keep and he does not want her in his life for her own sake. I don't want to tell you a lot more... just that you can expect a book that you won't be able to put aside. You will fall in love with the nicely drawn characters and the book will make you laugh out loud, it will make you want to cry and it will get hot and steamy as well. It's a really good book that I utterly enjoyed and I would recommend it to anyone who likes romance, super sexy alpha males hot nights and a bit of suspense. 5 stars and thumbs up for J.M. Sevilla. I already read part II and can promise that it is as good as the first one. I really hope there will be much more to read from this great author!

Kurzbeschreibung Warning: This book contains violence, excessive language, and strong sexual content. It's intended to be read by mature audiences. Part one of a two part series. There are three things Lily Evans immediately notices about her new neighbor, Jay Lincoln. The first is his monstrous size, the second is the malicious way he glares at her, and thirdly, but most importantly, the three scars that mark his right eye. She knows the smart thing to do is stay away, but she has never met or seen anyone like him. The more time she spends with this frightening yet captivating man, the harder it becomes. He can make her hairs stand on end but he also has a sweetness to him that tugs at her heart. Soon she finds herself merged into his world full of murder, revenge, and deceit.
