WowVon GretaWow, I really liked these two books from J.M.Sevilla. the missing link and becoming Noah Baxter.

What a thrill. Really entertaining thriller with a lot of passion and a beautiful love story of Jay and Lily. 0 von 0 Kunden fanden die folgende Rezension hilfreich. schlüssige Fortsetzung. Von Lesespaß HEA ist garantiert! Wer den 1. Teil mochte, wird auch hier nicht enttäuscht. Der flotte Stil wird beibehalten und alles wird gut! Ein unterhaltsamer Lesespaß für wenig Geld!

**Kurzbeschreibung** Part two of a two part series. Jay and Lily complete each other in ways no one else ever could, teaching one another things about themselves they wouldn't have known otherwise, but is it enough? Can two people from entirely different worlds find a way to make it last? Even if their love is strong enough, they still have an obstacle standing in their way. Will they survive the game, or will The Marker destroy everything they had hoped to create? This book contains violence, excessive language, and sexual content. It's intended to be read by mature audiences.
