Another book that kept me glued to pages!Von DoortalksIt is one of the books I would love to give six stars! Not that the story would be so special, the story is simple - a guy marries a girl in Las Vegas two days after they met. That wakes up from his hypnosis and goes back to his cold and perfect life of rich mega-company owner in Boston. The girl, dancer

on the strip, goes to search for him and finds not the funny and sensitive man she married but a ... him. Both feel bound to marriage woes and start a trial period of two months to find out if they may fit together even if it seems unlikely. His father, half-brother and cousin mix in. I would love to give it six stars because of the way it touched me. The characters of this - seemingly out of reality - story were pictured in such way that I have seen my own marriage reflected. The joys, the sadness, the fun and the fears, it all touched me deep in my heart. Of course the characters are ideal acting, they stay calm on the places where I would have exploded already. But this is also why I read such books - to show me another way, to help me keep calm in the next possibility to explode, to get me a break where the life gives me none. Marriage by mistake is a perfect story of its genre, with its highlights and flaws, with the hope it gives us and the lightness of deserved break over a book and a dream about our own life. Well done, Alyssa Kress, thumbs up! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Amazing story Von marv5 It was exiting from start to the end. The story is really amazing. This is something that doesn't happen every day. 0 von 0 Kunden fanden die folgende Rezension hilfreich. me time Von Kim Schultgood summer read nothing to heavy just right to relax and enjoy some romantic me time while forgetting reality :)

Kurzbeschreibung He woke up to discover two days of his life completely gone. Workaholic Boston blueblood Dean has made it his life's goal to be the opposite of his irresponsible, womanizing father. But Dean discovers that while in a hypnotic trance he'd acted exactly like his father, travelling to Las Vegas where he'd wooed and wed some sexy, airhead dancer. Now, Kelly may be sexy, but she's no airhead. She knows the cold and puritanical man who claims to be her husband is not the man she'd married. But she suspects the warm and tender man she does love is buried somewhere deep inside. And she's determined to find him...
