Thrilling romanceVon DoortalksI really liked this read - so much that I thought maybe I should star down some of my previous reviews if I compare it to this! The characters were refreshing, with enough depth and details to be realistic. The situations were uncommon, but so is life, isn't it? The main pair were fabulous - I would wish there will be more at least a bit plumpy heroines but than - to whom we may look up? I even found a reason for a reflection on myself, on revision which changed my own life for the better, thanks to this book! I recommend this read, it has the known

scheme of a Cinderella fairy tale, is a good well written book and makes fun to spent time with! Five stars from me :-

Good but...Von MinalI really liked this book...It was a little too perdictable and I was kind of annoyed sometimes because the resemblance to one of my favourite books ('The Marriage Bargain') was too obvious.I have no idea who copied who or if it was just coincidence, but it is almost the same story. I didn't like that...The Characters - especially Casey - are a little bit too flawless and Adam is acting unreasonable sometimes.But all in all it was a nice read, it made me laugh several times.If you're looking for a nice, short book, you can finish in one day, this is a good choice.1 von 1 Kunden fanden die folgende Rezension hilfreich. Good and easy readingVon CustomerThe book was exciting to read and could be read fluently. It took me sometimes to smile and to think. Good light entertainment.I can recommend it.
