Von Lisa Kleypas : Married by Morning (Hathaways) before purchasing it in order to gage whether or not it would be worth my time, and all praised Married by Morning (Hathaways):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Wunderbarer vierter Teil der Hathaways-SerieVon LucinaDer zweitbeste Roman der Serie bisher, nicht so gut wie "Mine till Midnight", allerdings etwas besser als die beiden vorherigen Bnde.In mehreren Rezensionen habe ich

gelesen, in denen der Anfang des Romans bemängelt wurde. Ich bin gänzlich anderer Meinung, ich finde sogar, dass derartige Einleitungen oft fehlen. Der Roman beginnt nicht gleich mit der körperlichen Anziehung, obwohl man sich gar nicht kennt und daraus entwickelt sich die Story, sondern das Gegenteil ist der Fall. Es ist nicht so, dass sich Cat und Leo nicht mögen, sie kommen nur zu Beginn der Serie aus verschiedenen Gründen nicht gut miteinander klar, allerdings lernen sie sich langsam kennen und entwickeln Gefühle füreinander, ohne dass sie jedes Mal sexuelle Kontakte haben (die bleiben nicht aus, aber so soll es ja auch sein ^^). Ich fand diese Art von Beziehungsbeginn sehr angenehm, bevor sie im Bett landen oder heiraten, kennen sie die Geheimnisse des jeweils anderen und lernen ihn zu verstehen. Dies ist leider in vielen Romanen andersherum, erst nach der Heirat beginnt das wirkliche Kennenlernen. Die ganze Geschichte hatte ein angenehmes Tempo, es gab keinen Augenblick wo ich sie langatmig oder gehetzt fand. Bis zum Schluss war ich gespannt wie es weiter geht und im Gegensatz zu anderen Romanen hat Lisa Kleypas hier ein passenden Schlussteil gewählt, oft fand ich diese nämlich unnötig, dies ist hier nicht der Fall. Bisher sind Cat und Leo für mich das sympathischste Pärchen der Serie, die beiden haben sich gesucht und gefunden. Ihre kleinen Wortgefechte, waren wirklich sehr amüsant, genauso wie das Frettchen Dodger. Ich habe die beiden, Entschuldigung die die drei ;-), sofort ins Herz geschlossen und mit ihnen mitgeföhlt. Und die Angst, dass Laura, die Leo so sehr geliebt hat, das Glück, das Happy End, der beiden schmelzen könnte, hat sich auch nicht bewahrheitet. Was mich jedoch überrascht hat war Cats Vergangenheit, derartiges hätte ich wirklich nicht erwartet. Was ich zu bemängeln habe ist allerdings, dass Leo's Probleme bezüglich seiner verstorbenen Verlobten Laura kaum zur Sprache kommen. Ich hätte erwartet, dass er mehr Schwierigkeiten beim Vertrauensaufbau und dem Verlieben haben würde, aber wie in vielen Kleypas' Romanen, weiß Leo (die männliche Hauptperson) früher als Cat (die weibliche Hauptperson) was er möchte und übernimmt quasi die "Führung" der Story. Ich fand es wirklich schade, dass im Prinzip nur auf Cat's Vergangenheit Bezug genommen wurde, vielleicht wäre die Geschichte auch andernfalls zu bereichern gewesen, trotzdem hätte ich Leo gerne mehr "leiden" gesehen. Besonders da ich einige Male während des Lesens das Gefühl bekam, dass er noch mit Lauras Tod kämpfte, wunderte es mich, dass er dies so scheinbar schnell verarbeitet hatte. Fazit: Dieser Roman ist wirklich zu empfehlen, ich habe kaum Kritikpunkte gefunden. Wer allerdings eine behutsame Annäherung der Hauptpersonen nicht abwarten kann, wird vielleicht enttäuscht werden, auch wenn die Annäherungen natürlich nicht immer keusch ablaufen. ;-)

)Bewertung: 5 von 5 BuchwürmernAnmerkung: Die Romane der Serie sollten der richtigen Reihenfolge gelesen werden, alleine sind diese zwar verständlich, aber man würde wahrscheinlich weniger mit den anderen "Pärchen" mitfühlen können und sich die Spannung für die anderen Romane nehmen. Weitere Romane in der Hathaways-Serie: Band 1: Mine Till Midnight (Amelia Hathaway und Cam Rohan) (9/10) Band 2: Seduce Me At Sunrise (Win Hathaway und Kev Merripen) (7/10) Band 3: Tempt me at Twilight (Poppy Hathaway und Harry Rutledge) (8/10) Band 4: Married by Morning (Leo Hathaway und Cat Marks) (9/10) Band 5: Love in the Afternoon (Bea Hathaway und Christopher Phalen) (10/10) Eine deutsche Veröffentlichung ist sehr wahrscheinlich, allerdings wird es voraussichtlich nichts vor dem Ende des nächsten Jahres. Mehr Rezensionen findet man in meinem Blog... :) 13 von 15 Kunden fanden die folgende Rezension hilfreich. Hathaways, Book 4: Leo's story and so far the best in the series! Von Steffi A. Finally! I've been waiting for Leo's story for so long, wondering what would become of him; hoping that LK wouldn't disappoint me...but of course all my anxiety was unnecessary because, as usually, she did not let me down...**For two years, Catherine Marks is working as a governess/companion for the Hathaway family and she actually enjoys her job very much - if it weren't for her employer Leo Hathaway, Viscount Ramsay, who positively loves to tease and annoy her. Cat is sure that she hates Leo with all of her heart - until one of their heated arguments ends with a kiss that changes everything...Leo Hathaway has been through hard times. He lost his fiancée Laura to scarlet fever and the grief over her nearly cost him his own life. Though he's managed to get his life back in order there is little purpose in it. The only thing he really seems to enjoy is quarrelling with 'Marks'. Something about the oh-so-proper companion of his younger sisters fascinates Leo and when he finally gives in to the urge and kisses her he feels that there is no going back to their easy bantering...But both have their own issues to deal with before they can even start thinking about a future together. While Leo is determined to pursue their relationship he also wants to avoid falling in love at all costs. Cat on the other hand had to learn at a very early age that men in general couldn't be trusted..and yet, as her mysterious past threatens to catch up with her, the only place she feels safe and strong enough to face it is at Leo's side...**Leo is a wonderful and complex hero. I love his humour and his funny comments and I also love what's beneath the facade - the man who's desperately trying to protect his heart. I never did this before but in this case I actually recommend reading the previous books in this series before starting this one - you'll understand Leo so much better. In 'Mine till Midnight' (Hathaways, Book 1) I felt and suffered with him, in 'Seduce me at Sunrise' (Hathaways, Book 2) I was so happy seeing that he finally got his life under control and in 'Tempt me at Twilight' (Hathaways, Book 3) I simply enjoyed his heated arguments with Cat. Knowing him so well made witnessing his much-deserved Happy End even more perfect. Cat too is a great and lovable heroine. Her mysterious past and what LK made of it is interesting and will keep you entertained. 'Married by Morning' is a perfect mixture of humour, a little bit of suspense, deep and profound feelings and hot love scenes ;-) - 5 stars for a great book by LK! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great hero, delightful secondary characters and an engaging plot Von Schenni For Leo Ramsay it's either find a wife and produce a heir or lose his family's estate and home in Hampshire. And even though Leo is rather reluctant

to fully commit himself to another person ever again, the prickly and exasperating spinster companion his family hired awakens feelings in him he hasn't felt since the death of his fianc, many years back. Now he only has to convince Catherine Marks that marrying him isn't as bad an idea as she thinks it is. The one thing that made this book so great was Leo. If there is a hero more charming and appealing than him out there I would pay a lot of money to get my hands on that book. His sarcastic and self-deprecating sense of humor, paired with his immense loyalty to his family made him an almost irresistible character. Reading about him and Marks bickering and quarreling was one of the most enjoyable reading experiences in a long time. The obvious tension and attraction between them is palpable from the beginning and even though both are reluctant to admit it to themselves their progress of realizing that they truly need each other is beautiful to witness. Marks is a great heroine - intelligent, good-hearted, but cautious, which is quite understandable if one considers her past. They are a head-strong and passionate pair, always honest, even if the truth isn't always easy to accept and determined to get their own way, which leads to some of the most entertaining arguments. And even though I would have been satisfied reading only about Leo and Marks, I still loved that the whole Hathaway clan plays such a big role again. The way Kleypas portrays this close-knit and unconventional family makes for some funny and heart-warming moments. Another exceptional book in a fabulous series that still gets a hold on me after re-reading it several times.

Kurzbeschreibung For two years, Catherine Marks has been a paid companion to the Hathaway sisters a pleasant position, with one caveat. Her charges' older brother, Leo Hathaway, is thoroughly exasperating. Cat can hardly believe that their constant arguing could mask a mutual attraction. But when one quarrel ends in a sudden kiss, Cat is shocked at her powerful response and even more so when Leo proposes a dangerous liaison. Leo must marry and produce an heir within a year to save his family home. Catherine's respectable demeanor hides a secret that would utterly destroy her. But to Leo, Cat is intriguing and infernally tempting, even to a man resolved never to love again. The danger Cat tried to outrun is about to separate them forever unless two wary lovers can find a way to banish the shadows and give in to their desires. Married by Morning continues Lisa Kleypas's Hathaways series set in Victorian London. **Pressestimmen** SEDUCE ME AT SUNRISE Has plenty to keep readers turning the pages: Wit, suspense, secrets to learn and, of course, lots of love and passion "The Monitor" "Each member of the family is a delight to meet, and the depths of emotions and love they have for each other is shown magnificently...a spectacular story that continues the saga of the Hathaway family." **Romance s** "Lushly sexy and thoroughly romantic superbly crafted characters and an intriguing plot blend together brilliantly in this splendid romance." **Booklist** "MINE TILL MIDNIGHT" Vintage Kleypas An unforgettable story peopled with remarkable characters and a depth of emotion that will leave you breathless with the wonderment of knowing what falling in love is really like. "Romantic Times **BOOK**reviews" Kleypas's effortless style makes for another sexy exploration of 19th-century passion and peccadilloes.
