Delightful regencyVon Bonnie GilbertTess Hamlin is the Season's leading debutaunte, an 'Uncomparable'. As the richest heiress of the ton, Tess has vowed not to marry until she is ready. This is her third season. When her brother informs her that he has lost her fortune he is forced to take the first offer that comes along, the new Earl of Merton, from Wales. Brenn Owen is in London for one reason, to find a wife. A very, very rich wife. When he offers for the wealthiest debutante he is surprised when his offer is accepted and a wedding is quickly thrown together. Little did he know that he was marrying Tess for her money and she was marrying Brenn for his. Money that neither had. On the journey to Wales Brenn and Tess fall in love, but their love is shattered when it becomes clear that both married each other for money only. Little by little the two repair the damage and build a home together. Cathy Maxwell has written a delightful story of secrets and love. I highly recommend Married in Haste and urge the reader to read it's sequel A Scandalous Marriage. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Kurzbeschreibung New York Times bestselling author Cathy Maxwell's classic romance Married in Haste is a fan-favorite marriage-of-convenience tale that resonates with unforgettable passion and love. Brenn Owens, The Earl of Merton, has come to London to choose a bride. A sexy war hero, he has his pick of the seasons debutantes, and once he spies beautiful Tess Hamilton no other will do. But Tess has a dark secret she's desperate to hide she has no choice but to marry quickly before her family's ruin becomes grist for the gossip mill. She accepts Brenn's sudden proposal without telling him the truth, but can she really marry him without feeling she's betrayed him especially when he offers ecstasy beyond her wildest dreams? And will he see her subterfuge as a lie? Cathy Maxwell's Married in Haste is a historical romance to fall in love with. From Publishers Weekly Society beauty Tess Hamlin has always had her pick of suitors, but no one has ever met her expectations. Brenn Owen, new Earl of Merton, home from the Peninsular Wars in 1814, has come to London to find an heiress in order to fund the rebuilding of his ancestral home. At a ball, a lighthearted joke, a bet among bored debutantes and flirtatious looks add up to an on-the-spot marriage proposal for Tess from the handsome war hero. It's all a lark until Tess's gambler brother informs her she must accept the offer, fast. For he's squandered her fortune at the gaming table and proud Tess will otherwise become society's laughingstock. In this tale of deception upon deception, Maxwell (Because of You) makes good use of her trademark clean, crisp prose style, weaving a reverse gift-of-the-magi tale set in the Black Mountains of Wales and starring two engaging and lusty protagonists.
