Tja, da hab ich mich sauber getuscht - Donnerstag Abend mit dem Lesen begonnen und Freitag frh die letzte Seite beendet. Ein nettes kleines Buch ber zwei Menschen, die durch ein Erdbeben Kinder (7 insgesamt) erben und hoffen, dieser "Horde" durch eine Vernunfttehe besser Herr werden zu knnen. Natrlich geht alles mgliche schief, denn beide haben komplett unterschiedliche Vorstellung, wie denn das Familienleben auszusehen hat. Wie schon zu Beginn absehbar werden smtliche Probleme natrlich berwunden und es gibt ein Happy End. Mein Fazit: eine nette Liebesgeschichte fr einen regnerischen Abend.

Definitv ein Frauenbuch!

Kurzbeschreibung Ben Galloway and Abby Drummond both work with children he's a pediatrician and she's a teacher and they've both ended up with custody of their respective nieces and nephews. They decide that combining their households is the best solution to their individual problems. Which it is except that their solution leads to a whole new set of problems. Kids before marriage. Not the easiest route to married bliss. And not the route Ben and Abby would've chosen. But love for their unexpected family brings them together in all the ways that count.
