Vanessa Waltz. The writing is flawless, the story believable and fast-paced, the characters really make you care about them. In the second half of the book there are some editing problems plus the occasional hole in the plot, but you'll barely notice for all the fire and passion and finally love.0 von 0 Kunden fanden die folgende Rezension hilfreich. Very dark romanceVon GretaThe story of Tony and Elena is about a whole lot of sex, danger from the maniac ex of Elena and the hopeless life at the mafia family, when your father got killed because he talked to the feds.It's contains a happy ending.

Kurzbeschreibung No one in their right mind marries a bad boy...I'm a player. A heartbreaker. Whatever the hell you want to call it, I get around. During the day I crack heads and extort businesses. At night I find girls. I live to hear them moan for me, but one night is all they get. No one ever made me want more. Until her. Elena. The moment her lips wrapped around me, I was done. All day I think about running my tongue all over those curves. Too bad those curves are off limits. She's running from a man who will kill me for touching her. Well, she's tired of running and needs my help. She thinks I'm doing it for money. I'm doing it to make her mine.Kurzbeschreibung No one in their right mind marries a bad boy...I'm a player.
