"Nat" to the U.S. to meet on a business prospect with the owner of Mercer Medical Company. It is an instant attraction between and his lovely daughter, Abigail, but Spencer is quick to forget her, thinking never to see her again. Abigail Mercer turns up, a year later to cause all sorts of confusion in Spencer's life. He is waiting Nat's return - for Nat's engagement part to Lady Eveline. Instead of Nat returning, Abigail shows up - and informs him they are married. She had met him once, but later married him "By Proxy". Spencer is loathe to learn Nat forged documents to the proxy marriage, stole all Abigail's inheritance, leaving her money to go to end. Spencer is furious, and would like to dismiss his "bride", but far too many people know about this. Spencer never expected to marry because of a physical problem caused by a wound. So he proposes that "stay married" until he finds Nat and gets her money back. But things are not as they seem in many corners and Nat may turn out to be a faery-godfather rather than a scoundrel, as Spencer begins to fall for Abigail. Very warm and cuddling romance that leaves you with a smile on your face penned under a very deft hand. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Schöne Idee, in der Ausführung leider mangelhaft! Von LoveLetter Magazin Spencer Law, Viscount Ravenswood, ist mehr als berrascht, als die Amerikanerin Abigail Mercer unvermutet in seinem Londoner Stadthaus auftaucht und behauptet seine Ehefrau zu sein. Sein jüngerer Bruder Nat hat die Ehe angeblich mit seinem Einverständnis arrangiert, und die Trauung wurde in Ravenswoods Abwesenheit in Amerika vorgenommen. Doch Nat ist unterdessen spurlos verschwunden - und mit ihm Abigails Mitgift. Abby ist entsetzt und würde am liebsten sofort nach Amerika zurückkehren. Doch um einen Skandal zu verhindern, willigt sie ein, in der Gesellschaft als Ravenswoods Ehefrau aufzutreten, zumindest bis Nat gefunden wird. Die Ehe von Ravenswood, der immer geschworen hatte, ledig zu bleiben, ist schon bald Stadtgespräch, und Ravenswood und Abby finden es schwerer und schwerer, das alles nur als Maskerade zu betrachten. Leider kann die Geschichte die Erwartungen des gelungenen Anfangs nicht erfüllen. Wieder und wieder werden dieselben Diskussionen geführt, und wenn tatsächlich endgültige Entscheidungen getroffen werden, werden sie wenige Seiten später wieder umgeworfen, sodass dasselbe Spiel von neuem beginnt. Eine stete Abfolge von Manipulationen, Tests und beständigem Misstrauen zwischen Held und Heldin rauben einem schließlich die letzte Freude an diesem Buch. Der Anfang machte neugierig auf mehr, doch am Ende ist man froh, wenn das Drama endlich vorbei ist. Eine schöne Idee und man merkt, dass Sabrina Jeffries (alias Deborah Martin) schreiben kann, aber mit diesem Buch zeigt sie sich wahrlich nicht von ihrer besten Seite.
