**Von Charles Dickens : Martin Chuzzlewit (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Martin Chuzzlewit (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 3 von 3 Kunden fanden die folgende Rezension hilfreich. A very funny novel Von What's Wrong with Reading Bulwer-Lytton? Besides "Bleak House", "Martin Chuzzlewit" is easily my favorite Dickens novel. Where else do you have an opening chapter (describing the past Chuzzlewit family history) that is so absolutely hilarious you find yourself rereading it several times before you begin chapter two? Where else do you have a character as funny as the greedy and transparent Mr. Pecksniff? People complain that the

plot is paper-thin even for a Dickens novel and that the American sequence is an unneeded digression. Perhaps true, but I think the characters and comedy in this book overcome any of its shortcomings. While others point to better known novels like "David Copperfield" as the best to be found in Dickens, I think "Martin Chuzzlewit" tops everything except "Bleak House" (but then how could it, seeing that "Bleak House" is probably the greatest English novel of the 19th century). In closing, if you're new to Dickens, you would do well to start here--the book, although long, is fast-paced, funny, and, at the end, even macabre.2 von 2 Kunden fanden die folgende Rezension hilfreich. Humorous Peek into Aspects of Human NatureVon A. CasalinoThis is still, next to "David Copperfield", my favorite Dickens' novel! It is also quite highly ranked among my all-time favorite novels! So much of human nature - its passions, quirks ironies - are addressed by Dickens here in flawless eloquence! The story is long - but you come to know the characters so well that reading sessions become like a delve into an hour-to-hour, day-to-day existence with them! In this graceful novel, Dickens attacks hypocrisy, greed, and cruelty with a vengeance. And addresses, as like, what comes from loyalty, friendship, and generosity. None of the personages in this colorful story could be classified as good or bad --- they all have their various shades. I loved this novel -- as it painted a wonderful alternate world - in prettily-prismed Victorian England - that gave me great escape from my own, often spiritually-consuming, surroundings!2 von 2 Kunden fanden die folgende Rezension hilfreich. Martin ChuzzlewitVon Ein KundeMartin Chuzzlewit one of Dickens's more obscure work, met me with great expectations of works that I had previously read, I dove into this book in earnest. However the long-windedness ultimately resulted in a bit of disappointment. Though one ought not dismiss Dickens' lesser-known works; this is one that could be skipped.
