Kurzbeschreibung This book was converted from its physical edition to the digital format by a community of volunteers. You may find it for free on the web. Purchase of the Kindle edition includes wireless delivery. Synopsis It is an effervescent story of a land owner Andreevich who voyaged to another town with his servant but lost his way. Tolstoy has portrayed the character of an ambitious person who leaves his servant in a pitiable condition but finally attains spiritual revelation. It is well written as it exposes human infirmities, conceits and the struggle against the belligerent conditions.
