**Von Angela Knight : Master of Smoke (Mageverse series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Master of Smoke (Mageverse series):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Well done, again!Von starbooksIHGood entertainment, I thoroughy enjoyed reading it. If you have read the previous books

of the Mageverse Series you get exactly what you expected. Get to know more of Smoke, a very interesting magical being who turns out to be much more than you might have suspected by reading the previous book (Master of Fire) where he is introduced. That is something I really like about Angela's books, thus you already like them when the new book comes out. (That was specially so with the Dragon, for his book I could hardly wait.) I like Smoke so much. Who wouldn't like a "godling" at your own disposal...making love in magic-filled beautiful lakes and floating on air while making love?
