**Von Angela Knight : Master of Swords (Mageverse series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Master of Swords (Mageverse series):

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich. you almost get what you expectVon Ein KundeBlood Service by Angela Knight:Adiva Mayhew is a spy and during the war managed to piss off the wrong guys, so know she is worth two million, d.o.a. Vigilante is a bounty hunter, so he

wants to catch Adiva. Seeing that she is a level seventeen sub and a bloodthrall, and he is a level twentyone dom vampire, he of course wants to keep her. This story is at least on the same level with "mecenaries: the thrall". This story is hot and sizzeling, but underneath quite cold, only in the end you get a bit of heart.

Branded by Ann Jacobs: After beeing exiled from earth Cole Callender opens a BDSM-Club on Obsidion. Amber is a sub with selfdestructive tendencies after her parents death. She arrives on Obsidion in really bad shape, after beeing tortured by a psycho dom. Of course they get together, but honestly, their talk is hotter than the rest.

Slave School Dropout by Dakota Cassidy: Nyla and Lucas are cat - shape shifters and destined to be lifemates, after having been frinds for over a year, everything should be just peachy. There is only one little problem: she is a vanilla, pure bred egyptian mau and he is a dom tomcat... funny and hot.

Tainted Kisses by Kate Hill: Etlu was stolen from his mother`s womb and brought up by Aru and his sadistic sons to be evil right from the start even befor they turn him into a vampire, so he is spreading terror where ever he goes to conquer. Niabi is a vampire as well, but fighting for good trying to protect a village against Etlu and his raiders. She fails, but Etlu traits the lifes of her people for her comming to his bed of her own free will, seeing that deep down he longs for emotions. A disturbing love story.

Von Sabrina

Nachdem die Magi (Vampire) und Majae (Hexen) aus Avalon in der letzten Schlacht mit den abtrnnigen Vampiren (siehe "Master Of Wolves") ungewohnt viele Opfer zu beklagen hatten, beschliet der Rat, die Ausbildung der neuen Majae und Magi zu verbessern, in dem sie gemeinsam mit erfahrenen Kmpfern in Teams eingeteilt werden. Lark, deren Krfte erst vor einem halben Jahr geweckt wurden, soll gemeinsam mit Gawain ein Team bilden. Zwar wei sie, dass Gawain ihr viel beibringen kann, doch ist unausgesprochener Teil der Abmachung, dass die Magi das Blut der ihnen zugeteilten Majae trinken, und Lark, die in der letzten Schlacht von einem Vampir beinahe gettet wurde, wei nicht, ob sie dies ertragen kann. Dies ist jedoch fr beide das geringste Problem, als eine neue Bedrohung auftaucht, die Avalon als ganzes zerstreuen knnte.

"Master Of Swords" beginnt mit einer Reihe von Rckblicken in Lark und Gawains Leben. Es dauert daher eine ganze Weile, bis die eigentliche Geschichte beginnt, die einen dann aber sofort mitreisst. Lark und Gawain stehen den anderen Paaren in Angela Knights Mageverse-Serie in nichts nach, was erotische Spannung betrifft, die Bettszenen sind vielleicht sogar noch etwas gewagter als in bisherigen Bchern. Die Zerstrung des letzten der drei "dunklen" Grale wird auf vllig andere Weise realisiert, als die der ersten beiden, so dass das Buch trotz gleicher Rahmenbedingungen keinesfalls wie eine Wiederholung wirkt. Jetzt heit es abwarten, wie die Spannung im nchsten Band ("Master Of Dragons", April 2007) erzeugt wird, da die Bedrohung durch die abtrnnigen Vampire ja erledigt zu sein scheint.

Von S. Arlt

Excerpt of the back cover: Witch Lark McGuin has survived a vicious vampire attack that shook her confidence and left her struggling with feelings of helplessness and fear. The last thing she needs is a partnership with Gawain, a handsome vampire knight who mean to seduce her every chance he gets. Gawain believes he needs Lark for one thing and one thing only - and it's not her skill with magic. In the process he plans to help her overcome her fear and show her the pleasure to be found in a vampire's arms. But even as passion sizzles between Lark and Gawain, a revenge-driven killer targets them. If he has his way, Lark, Gawain, and the world itself will pay the price. A delicious addition to the Mageverse series of Angela Knight... Lark is a young woman (of Tristan's lineage) who only recently has come into her Majae powers. She has been badly wounded on a vampire attack and has to learn to trust her abilities again. She is instantly attracted to Gawain who -as one of the original round table knights- is a seasoned fighter and just the mentor she needs. Lark and Gawain develop an intense relationship while both learn to like and trust each other and find out that there is more to their bond than they had expected... The fast paced story takes the reader back to Avalon and gifts with insights into the whereabouts of old friends made in previous stories. There are hot love scenes and exciting sword fights, magical duels with evil sorcerers and enthralling adventures with dragons... like Gawain's companion Kel, a dragon who has been spell bound into a sword. All in all a wonderful getaway from ordinary life and enjoyably good entertainment.
