Amazing!Von FilerimosMaster is the fourth book of this series and it's absolutely amazing!I got the impression that Mrs. Taylor invested a lot of work and research into this book.And she did well. - Mrs. Taylor you`re an amazing author! Thank you so much for this wonderfullbook.In "Master" you get the back story of a certain blue eyed person you already met in the Line Series.I don`t want to spoil something, so I'll not reveal to much of the story line.Instead I'll give you my POV of this book:This book is different than the Line Series. It contains much more violence, complicated political enmeshments and a network of intrigues. It gives us a good insight how certain events in our past could shape a person.But it also showed us how important it is to share/create a good few memories (How else can you

survive the hell?). Jahn and Lena did just that. They grounded each other and cared for each other. Sadly the here and now was not on their side. Jahn had to submerge without leaving traces and left the country permanently. Honestly, I shed a few tears as I finished this book (I'm hopelessly romantic). Now I'm hoping that these two lovers will find each other again. ... - And in choosing the land of his new home country... I'm certain that Jahn hopes this too (Also he would probably never admit it.).0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannend und Genial - Politisch Von UihUij Also man kann das Buch wirklich so zusammen fassen, das echt fast alles dabei ist! Politische Geschichte über die Ukraine und den Kalten Krieg, Liebesgeschichte mit etwas SM, Elend - wie die Kinder und Menschen dort leben! Das ganze ist in einer super Story verpackt und wirklich spannend! Ich habe es echt gern gelesen und es ist wirklich zu empfehlen.

Kurzbeschreibung "I could not put it down. The story was intense, exciting, emotional, scary, sexy....." Samantha Bacon. "It is 1995, four years after Ukraine has declared independence. Lena Petrenko cares little about her country or her miserable life. As the daughter of a racketeer, she has seen enough violence and has shut the whole world out. She lives in her bedroom with her baby doll and immerses herself in fairy tales, creating her own happy endings. When her father forces her to attend his cage fights, Lena finds herself caught up in the brutality when she is claimed as the winner's trophy. Her terrifying champion is nothing like the prince of her stories. He is every bit the beast and she is hardly a beauty. Lena soon learns that there is more to this stranger than his hard exterior. He has a dark history and an agenda that somehow involves her, but behind all the muscle beats a tender heart. As she begins to face her own terrible past, she finds him to be an unlikely ally, evoking everything she has buried deep inside, including her passion. As her feelings for him deepen, Lena finds herself contending once again with a violent world. Now her captor must become her saviour, at the risk of losing each other, or losing their lives. Strictly Adults only. Contains graphic language and violence, explicit sexual scenes including BDSM elements and anal play. Kurzbeschreibung "I could not put it down.
