Von Robert J. Crane : Master (The Sanctuary Series Book 5) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Master (The Sanctuary Series Book 5) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. best book I read in a while Von puri When you start the series you get the feeling it's the diary of a 15year old WoW fan.

Resurrection, incredible healing powers, guild wars and dungeon raids, but the intensity this series got in from book 2 onwards is unbelievable. This series deserves more recognition. I haven't read his other series yet, since I don't like books with a female lead very much, but this series must be his best.

KurzbeschreibungThe world of Arkaria is a dangerous place, filled with dragons, titans, goblins and other dangers. Those who live in this world are faced with two choices: live an ordinary life, or become an adventurer and seek the extraordinary. A death in their midst has thrown the guild of Sanctuary into chaos. Added to the upheaval are the sudden disappearance of Sanctuary's old allies, The Daring, the resurgence of the Dark Elves in the war, and a mystery brought to Cyrus Davidon by an old friend. As the darkness rises in the land of Arkaria, Sanctuary must find a way through their struggles to unify, even as a battle between two pillars of the guild threatens to tear them asunder once and for all.
