Only pain can help her keep memories awayVon Dina BushrodWe have a shifter woman who has lost everything during the massacre of paranormals in the US and blames herself for that loss. She wants nothing more than to wipe her

memories away and the only way she can do this is to accept pain at it's extreme in order to forget, and if not able to forget to accept punishment for not saving those she loved. But in Sanctuary she meets a man who will not let her continue on this path of pain and does all he can to show her that she deserves happiness. But will it be enough to help her let go of her guilt and learn to love again. This story has it all, great loss, guilt, fear of loving again, BDSM at it's fullest and then in a twist BDSM at it's most sensual and loving. I recommend this to all who love paranormal romance.0 von 0 Kunden fanden die folgende Rezension hilfreich. Hiding beneath the pain healing in the pleasureVon Jean SmithThere are many reasons for people to become engaged in the BDSM lifestyle. Sometimes the lifestyle is used to hide emotional pain beneath physical pain and the oblivion sought in subspace. Thankfully, though, this isnt prevalent. A good dominant will see through this and address the underlying issue much as Finn with Teagan. This is not to say that all dominants are perfect at providing counseling nor do they pretend to be. However, they are observant and when the right one is paired with the right sub things are definitely magical in the energy that flows between them.In the case of Teagan and Finn, there is a bit of magic involved the magic of lycan mates. A touch of pixie magic to pair them doesnt hurt either. Most of all is the magic of an observant man that sees the need of his sub to heal. He may not know what is causing her so much pain but hes determined to see her through to an healed and healthy future with all the promise his love can give her. Getting there may prove a bit steamy and a whole lot painful in a very pleasurable way. If only all lifes woes could be handled in such a manner there would certainly be a lot of smiling women out there.*****Reviewed for Xtreme-Delusions*****

KurzbeschreibungNobody could fix her or claim her.She belonged to nobody.Pain was her game.Self-deprecating and guilt-ridden she-wolf, Teagan Rourke, has been to hell and back. Now, all she wants is agony to reinforce what she already knows--she doesn't deserve happiness. Frequenting Castle, a local BDSM club, and succumbing to a sadist's wishes is the only "happily ever after" she's looking for. And all the magick in Sanctuary won't change her mind.But when Teagan gets paired with a new Dom, Finn OConnor, it seems that all bets are off. The type of pain this sexy and rugged wolf might inflict might be too much for her to endure. Swearing to never open herself up again to the type of suffering that love can cause, Teagan tries to deny the pull she feels for him. But Finn isn't giving up; he's waited too long for a perfect mate like her. It's up to him to show her the light beneath the darkness of her past. Can a little luck of the draw turn into fated magick for Teagan and Finn.KurzbeschreibungNobody could fix her or claim her.She belonged to nobody.Pain was her game.Self-deprecating and guilt-ridden she-wolf, Teagan Rourke, has been to hell and back.
