Chronicles) by Bink Cummings. There was no way I could wait even a minute before continuing this crazy ride that Bink's story takes the reader on. I thought it wouldn't get crazier, sexier, more heart-breaking and more nerve-wrecking than book one. Boy, was I wrong. As Bink's story continues, we learn she left the MC life behind and is living like one of us - a normal, semi-boring existence. But nothing is this plain and simple with Bink. You can take an MC brat out of the MC world, but it won't change who she is deep down. How she managed to keep the person she really is locked on the inside for months, pretending to be the girl next door, is beyond me. I'm surprised she didn't go crazy. When she returns to the Sacred Sinners, her real home, she's confronted with a reality she isn't ready for and with secrets she doesn't want to share. That is bound to create more drama than she could've anticipated and it damn sure does. There's enough heart-ache, misunderstandings, fights and hurt feelings to last a few lifetimes and Bink has to deal with it in a span of a few days. But it wouldn't be her, if she didn't manage to come out on top - kicking and screaming. Again, I absolutely adored Bink. She's real, honest and doesn't beat around the bush. Her story kept me on the edge of my seat, clinging to my Kindle like a lifeline, holding my breath most of the time. Book two, just like book one, is unsurpassed when it comes to the rawness, intensity and bluntness. Bink Cummings doesn't make things all pretty and shiny. She tells it how it is and with that allowed me to feel what she was feeling, to understand her motivations and emotions. There is no way for me to say more without giving away the story and that would be a damn shame, because it's worth finding out for yourself. But let me ensure you, that the characters and the plot will worm their way into your heart and wreak havoc on your feelings. You'll be intrigued and appalled, turned-on and feel the need to bathe in acid, happy and heart-broken - all at the same time. I'm totally addicted to Bink Cummings' stories and now I'm waiting impatiently for the third book. It's been two days that I've finished book 2 and I already can't wait. 5 I'm-totally-addicted-to-the-Sacred-Sinners stars.

Kurzbeschreibung You think you know? You don't know Sh\*t Must Read: The Diary of Bink Cummings Vol 1, previously. When changing life's course you never consider what twisted curve-ball fate might dump in your lap. Growing up in the MC, then gaining my own personal Independence was not only a curse, it was a blessing. So when I decided to say fu\*k my past and embraced my future, away from the only place I called home, I tried to re-invent myself by becoming the woman I am today. Until, one day, fate reared it's ugly head forcing me to return to the place I ran from. The place where I had no choice but to face HIM. And hide the biggest secret of my life, as I wallowed in silent fear of the insurmountable repercussions it would evoke when anyone found out the truth. Steamy Adult romance Warning: Contains Mature scenarios, and mass quantities of profanity. For Ages 18+
