Von Connie Brockway : McClairen's Isle: The Reckless One: A Loveswept Classic Romance before purchasing it in order to gage whether or not it would be worth my time, and all praised McClairen's Isle: The Reckless One: A Loveswept Classic Romance:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Not quite as good as The Passionate OneVon qbWhile I enjoyed Rafe(Raine) and Favor's story, it wasn't quite as good as its prequel. Some questions were answered, but I'm afraid that those that weren't won't be answered in Fia's story. For example, what DID Raine and Favor do when they left the castle?I'm waiting on the edge of my seat to discover what happened to Carr, the castle, Fia. Oh, August, please come quickly!0 von 0 Kunden fanden die folgende Rezension hilfreich. Elegant RomanceVon Kindle CustomerAnother elegant, witty romance from Connie Brockway. Sympathetic and engaging main characters, and a deliciously evil villian. The book is fast-paced and the plot twists nicely. An

entertaining read.0 von 0 Kunden fanden die folgende Rezension hilfreich. I would have liked to see some more depth. Von Sarah I did enjoy reading Raine and Favor's story, though there were many times while reading this story I felt cheated. With an obviously dysfunctional family and a psychopath as a father, Raine turns out to be a surprisingly levelheaded youth. He might be called "The Reckless One", but in truth he is "The Considerate One" or even "The Dependable One". Except for his undercover attempt at finding hidden jewels (which he sensibly wants to use to start a new life in America), Raine is not very Reckless. Maybe when he was younger (between 15-17) he rebelled looking for his father's attention, but even then it didn't sound like he did too much that was "Reckless", youthful indiscretions maybe, but hardly Reckless. He spends the whole book trying to selflessly help Favor, never once really doing anything for himself. Favor is an interesting character insofar as she is strong willed, but by knowingly letting herself be manipulated, I'm not sure how to define her. Strong willed people do not usually let themselves be manipulated and I had a hard time reconciling the one with the other. It is pretty obvious throughout the story that she is doing what she is doing because of guilt but she does it half-heartedly and risks the whole thing by acting Recklessly in her relationship with Raine. I also missed having a more thorough relationship with the siblings. Ash is mentioned once or twice in passing, so at least Raine doesn't think he was totally abandoned in France, but some sort of reunion would have been nice. Raine also does not have much contact with his sister Fia. This is done on purpose and we get a brief glimpse into the next story (seeing that Fia isn't all that bad, and does love her brothers even though she barely knows them) but I would have liked to have seen some more interaction. Lastly, I hope we find out what happens to Raine and Favor. Where are they going to go? What are they going to do? What happened to Muira? What about the rest of the McClaines, what is going to happen to them? The story ended unfinished. Although it seems like I am ripping apart this story, I did enjoy reading it as a fast light read, and look forward to Fia's story.

Kurzbeschreibung As Connie Brockway's spellbinding Highland trilogy continues, a man with sin in his smile falls for a femme fatale who might be an angel of mercy . . . or death. Restless, daring, proud, they are the Merricks: Raine, the second son, the reckless one; Ashton, his older brother, the passionate one; and Fia, their sister, the ravishing one. Born of bad blood, they were raised in the Scottish Highlands on lands that belonged to their mothers' kin, the McClaires, until their English father seized the ancestral stronghold for his own. Yet all are destined to find loves as wild and glorious as the isle they call home. Even for a scoundrel as brash as Raine Merrick, his fate seems impossibly cruel: trapped in a French prison until his father deigns to pay the ransom. After years of waiting, a miracle finally arrives in the form of a striking mystery woman who releases him one moment and betrays him the next. At least Raine is free to return to McClaire's Isle and claim its secret treasure. But strange surprises await in the Highlands, where the beautiful traitor is masquerading as an honored guest . . . and tempting Raine with all the lust in his wicked soul. From Publishers Weekly The second entry in Brockway's Scottish Trilogy (after McClaire's Isle: The Passionate One) begins in 1760 France as Raine Merrick, abandoned by his evil father, the Earl of Carr, escapes an unjust imprisonment by participating in a plot involving beautiful and innocent Favor McClaire. Although Raine and Favor share a twisted past tormented by the enmity of their families, neither recognizes the other when fate rejoins their lives. Years before, Favor had unknowingly betrayed her people--a misstep that has haunted her since; in an attempt to regain her honor, she turns up at Lord Carr's castle, reluctantly trying to win his hand in marriage in order to recover her family's ancestral home. Soon Raine arrives incognito, seeking a cache of hidden jewels that should enable him to start life anew. Favor is mesmerized by Raine's charm, and he finds himself reassessing what he wants out of life. Although the climax shifts into melodrama, and a nonstop series of twists and turns may occasionally confuse, readers will enjoy the excitement and passion. Copyright 1999 Reed Business Information, Inc. From Library Journal Sprung from a brutal French prison only to be betrayed by his lovely rescuer, Raine Merrick eludes his pursuers and eventually makes his way home to McClaire's Isle. And, amazingly, finds that his duplicitous savior is a guest in his father's castle. He now realizes that he knew the woman as a child and that she has every reason to hate him. Deception, vengeance, and a legendary treasure combine in this tale of romance and intrigue, which continues Brockway's "McClaire's Isle" trilogy (e.g., McClaire's Isle: The Passionate One), and is sure to delight her waiting fans. Brockway is an increasingly popular writer of sensual historicals and lives in Edina, MN. Copyright 1999 Reed Business Information, Inc.
