Von Linda Lael Miller : McKettricks of Texas: Austin (McKettricks series) before purchasing it in order to gage whether or not it would be worth my time, and all praised McKettricks of Texas: Austin (McKettricks series):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. A great book to relax and have some funVon Katzenjammer123A great book to sit down, relax and have a lot of fun.Rodeo star Austin McKettrick is only 28 but years of bull-riding took its toll on his body. A hurt back makes him stay with

his two brothers at their ranch. It's the best place to get back on his feet but at the ranch he also has to deal with Paige Remington again. Ten years ago Paige and Austin were a couple and deeply in love. But he was afraid of settling down and broke her heart to get his freedom back. In the present her sisters are marrying Austin's brothers and he needs her help to get back on his feet. Both can't deny that there is still a lot between them but Paige is wary of trusting in Austin again. When dangerous and mysterious incidents happen at the McKettrick ranch and Austin is badly hurt, the relationship between them changes. Paige can't hold back anymore even though she doesn't know whether she can get over the past and her broken heart. "McKettricks of Texas: Austin" (book 13 in the McKettricks series, but works great as a stand-alone) is the first book by Linda Lael Miller that I read but it definitely won't be the last one. The book is funny, sexy, lovely and just great to read. The story never gets boring and all of the main characters are likeable and interesting. Paige is a great heroine. She's a strong and very caring person. She loved Austin with all her heart and when he betrayed her she was devastated. That's why it's easy to understand that she has a hard time to trust him again. Austin is also an awesome character and I liked him a lot. He is sexy, stubborn and very charming. He has grown up a lot in the years since he broke up with Paige. He knows that what he did was wrong and that's why I hoped that he and Paige would get a second chance (of course they did). The mystery part of the book was interesting, not absurd or overly dramatic and not too dark. I also want to mention that I love the cover, a sexy cowboy is always a good choice! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice cowboy romance - but unbelievable plot Von Petra Pfaffenberger This is the sequel to "Tate" and "Garrett". Austin is the youngest brother of the McKettricks. After a serious bullriding accident, he is living on the family ranch. His brothers are in love with two of the Remington-Sisters, who are also living with them on the ranch. The younger sister of them, Paige Remington, was the high school sweetheart of Austin McKettrick. During the renovation of her home, she is also moving in the McKettricks ranch house. And so Austin and Paige are getting involved again. It's a nice story, albeit nothing new. Most of Miller's books have the same storyline. Like in the Montana Creed series, there are three brothers, finding their everlasting love. This is okay, if you like cowboy romance and ranch life. But: When I was reading this story I was getting more and more annoyed. What simpleminded person believes that three brothers are finding their lifetime love in three sisters. This plot was too unbelievable. In this case - less would be more.

Kurzbeschreibung #1 New York Times bestseller Linda Lael Miller brings you the next installment in her unforgettable McKettricks of Texas series. The three McKettrick brothers meet their matches in the three Remington sisters, and now it's Austin's turn. World champion rodeo star Austin McKettrick finally got bested by an angry bull. With his career over and his love life a mess, the lone maverick has nowhere to go when the hospital releases him except back home to Blue River and the Silver Spur ranch. But his overachieving brothers won't allow this cowboy to brood in peace. They've even hired a nurse to speed his recovery. Paige Remington's bossy brand of TLC is driving him crazy. Not to mention her beautiful face, sexy figure and silky black hair. Paige has lost count of the number of times Austin has tried to fire her. She's not going anywhere till he's healed body and heart. Pressestimmen "Linda Lael Miller creates vibrant characters and stories I defy you to forget." -#1 New York Times bestselling author Debbie Macomber "Miller's third Stone Creek novel gets as hot as the noontime desert. Miller's portrayal of Sarah as a strong, independent woman sets this novel apart from customary tales of the damsel in distress and the rescuing hero... Well-developed, personable characters and a handful of loose ends will leave readers anticipating future installments." -- Publishers Weekly on The Rustler "Miller's name is synonymous with the finest in western romance." -RT Books "Full of equal parts heart and heartache, Miller's newest western is sure to tug at the heartstrings from the first charming scene to the last." -RT Books on Big Sky Summer "Miller's down-home, easy-to-read style keeps the plot moving, and she includes... likable characters, picturesque descriptions and some very sweet pets." -Publishers Weekly on Big Sky Country "A delightful addition to Miller's Big Sky series. This author has a way with a phrase that is nigh-on poetic... this story [is] especially entertaining." -RT Books on Big Sky Mountain "A passionate love too long denied drives the action in this multifaceted, emotionally rich reunion story that overflows with breathtaking sexual chemistry." -Library Journal on McKettricks of Texas: Tate "Miller's prose is smart, and her tough Eastwoodian cowboy cuts a sharp, unexpectedly funny figure in a classroom full of rambunctious frontier kids." -Publishers Weekly on The Man from Stone Creek "Miller's return to Parable is a charming story of love in its many forms. The hero's struggles are handled in an informed and heartwarming way, and it's easy to empathize with the heroine's desire to start an independent, new life in this sweetly entertaining and alluring tale." -RT Books on Big Sky River "Miller has created unforgettable characters and woven a many-faceted yet coherent and lovingly told tale." -Booklist on McKettrick's Choice Kurzbeschreibung #1 New York Times bestseller Linda Lael Miller brings you the next installment in her unforgettable McKettricks of Texas series.
