**Von Doreen Owens Malek : Medicine Man's Affair (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Medicine Man's Affair (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Eines ihrer besten BcherVon CustomerIch habe dieses Buch eher durch Zufall gekauft. Zwar habe ich schon einige andere Bchjer der Autorin, aber sie haben mir nicht alle gefallen. Da der Preis aber so gering war, dachte ich mir, ich probiere es einfach noch mal. Ich wurde nicht enttuscht. Die Geschichte ist komplex und sehr gut geschrieben. Zwar ist der Titel etwas irrefhrend, aber die Charaktere sind liebenswert und man kann ihre Probleme nachvollziehen. Sie ist durch eine gescheiterte Ehe bindungsscheu geworden, er ist Indianer und kmpft darum, in der amerikanischen Welt zu

bestehen ohne seine Wurzeln zu verlieren. Sehr empfehlenswert!

Kurzbeschreibung Originally published as NATIVE SEASON (1983) Tall, honey blonde with gray-blue eyes, Jennifer Gardiner hardly fit the role of Publicity Director for the Philadelphia Freedom football team. A lawyer and a professional in a rough-and-tumble world of men, she learned to be wary of gridiron heroes until Lee Youngson shattered her hard earned cool. A proud American Indian, witty and devastating, he broke all the rules, sweeping Jennifer into a passion she had never known. She abandoned all caution for a single reckless night. Now it was too late to turn back. She wanted Lee for a lifetime, but they were worlds apart. His past and his heritage stood between them. Could love ever bridge the gap?
