enjoyable Von Stefanie K. For me Meeting Trouble was a highly entertaining novella about a rockstar falling in love with its fan. I really liked Sabrina and Rob. They were fun characters and had an amazing chemistry together. I enjoyed how they spent some time together and had some laughs with them. Something happened a bit too fast but still I enjoyed this book a lot and I am looking to read more about the two as well as Katie and Tyler. The writing style is fast-paced and enjoyable. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Schnelle, runder Einstieg in eine Romance-Reihe! Von Lili "Meeting Trouble" ist der Auftakt zu einer Roman-Serie, lässt sich aber auch als Standalone Novel sehr gut lesen, da die Geschichte letztlich prinzipiell in sich abgeschlossen ist, was ich sehr begreifbar finde, da ich von Cliffhängern absolut nicht angetan bin. Auch in "Meeting Trouble" wird durchaus recht viel gesehelt, aber das Verhältnis zwischen Sex und Nicht-Sex ist doch sehr ausgewogen und die Gefühle der als Ich-Erzählerin auftretenden Protagonistin (einer 24-jährigen Lehrerin, die mit Rob Burns, dem Leader der Rockband "Trouble", ihrem großen Schwarm näherkommt) stehen deutlich im Vordergrund, wobei ich es auch mochte, dass hier, obschon die Begegnung und das Kennenlernen der Beiden sehr rasant verlief (tatsächlich spielt sich die gesamte Handlung innerhalb von nur drei Tagen ab), nicht komplett berstzt gehandelt, sondern auch reflektiert wurde, ob sich die Lebensstile der Beiden überhaupt miteinander vereinbaren lassen. Es kam also durchaus auch die Vernunft zu Wort, so dass "Meeting Trouble" nie gänzlich ins Kitschige wegleiten konnte. Insgesamt hat mir diese Rock Star Romance sehr gut gefallen und ich bin auch durchaus interessiert daran zu erfahren, wie das/die Leben von Sabrina und Rob nun weiterhin verlaufen wird/werden. Für mich stellt "Meeting Trouble" von daher einen durchaus gelungenen Serienauftakt dar! 0 von 1 Kunden fanden die folgende Rezension hilfreich. Brilliant Von S. I enjoyed every minute of it though I had my doubts in the beginning. The story is good, well written and has lovable characters.

Kurzbeschreibung I stared at Rob, who looked at me like he was trying to figure something out, and my heart did that fluttering thing again. Me, face-to-face with Rob Burns! My mind screamed it, and my body was screaming it too. I felt it from my throbbing head to my tingling toes. (This title was originally published as Happy Accident) über den Autor und weitere Mitwirkende Emme Rollins is USA TODAY and NEW YORK TIMES bestselling author of New Adult/Mature Young Adult fiction. She's been writing since she could hold a crayon and still chews her pen caps to a mangled plastic mess. She did not, however, eat paste as a kid. She has two degrees, a bachelor's and a master's, one of which she's still paying for, but neither of which she uses out in the real world, because when she isn't writing, she spends her time growing an organic garden to feed her husband and children (and far too many rabbits and deer!) where they live on twenty gorgeous forested acres in rural Michigan. She loves tending her beehives (bees are wonderful pollinators and hello!?! Honey!) keeping up with her daily yoga practice and going for long walks in the woods with her boxer, Rodeo, who loves chasing squirrels almost as much as Emme loves writing!
