mefistoVon Ein KundeI found mefisto to be an excellent book,i particularly enjoyed the relationships between the folks at the Ashburn mansion. Felix who remains enigmatic throught the novel is one of the most extrordinary characters ever to be woven by banville although you might already be familiar with him (ghosts) this book holds new

insights into his peculiar psyche. if you are already a fan of Banville's or if you are looking for a truly excellent novel I would highly recommend this literary piece. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Antanzen Von Peter Oberschelp Durch die Vorflle auf der Klner Domplatte und anderswo ist der Begriff des Antanzens um jegliche positive Notation und Konnotation gebracht worden, als Werkzeug der Beschreibung fr Banville's Prosa knnte er sich erholen. Der Autor nhert sich seinen Erzhlgegenstnden, ohne sie anzurempeln oder anzufassen, sie sind empfindlich und knnten verletzt werden, was die Figuren des Buches anbelangt, so sind sie wahrhaftig schon verletzt genug. Oft tanzen die Wrter zurck und dann wieder vor: All wrong this geography, or do I mean topography? It doesn't matter. - Spring came early that year. No, I'm wrong, it came late. But when it came it was glorious. Es heit, bei der Niederschrift von Mefisto sei Banville an den Rand des Nervenzusammenbruchs geraten oder auch ber den Rand hinaus. Als das Buch erschien, war es ein Flop. Mefisto zhlt sicher zu Banville's schntesten Bchern. 0 von 0 Kunden fanden die folgende Rezension hilfreich. some stunning description Von Cave Really nice book with some deeply evocative language. Banville says so much with such economy of phrase. Great stuff.

Kurzbeschreibung Is there a numerical solution to the quest for the meaning of life? A brilliant reworking of the classic Dr Faustus theme by Booker Prize-winning author John Banville, Mefisto focuses on the mathematically gifted Gabriel Swan, who seeks a numerical solution to his quest for order and meaning in life. With characteristic wit and mesmeric prose, John Banville's richly imagined novel, Mefisto, is an ode to philosophy, beauty, and identity. Pressestimmen Mefisto renders all superlatives woefully inadequate . . . Undisputed master of language, the laconic pause and the blackly comic, Banville is a supreme stylist . . . He is a magician . . . Another expectedly astonishing and very daring display from this richly, almost wickedly, gifted artist. (Time Out) An excellent novel, beautifully written. the sort of thing you have to read more than once wonderful stuff. (Punch) Few writers in Ireland today can arouse such expectation by the advent of a new novel . . . A profound beauty of words displayed by their lover . . . Banville's great enterprise does not falter . . . read Mefisto straight through; it deserves it. (Irish Times) Werbetext Fable, intellectual thriller, Gothic extravaganza, symbolist conundrum . . . a true work of art Sunday Independent
