ber den Autor und weitere MitwirkendeLinda Wells worked several years for engineering companies preparing environmental impact statements before marrying and having a son. His disabilities changed her from career woman to stay-at-home mom. Inspired by the 2005 film Pride and Prejudice, she purchased a copy of Jane Austen's novel, and fell under the spell of the unforgettable characters and story. Wondering about those characters eventually led her to discover the world of Jane Austen Fan Fiction, and decided to write down the story that was nagging at her, Chance Encounters. She has many ideas for new stories, and with luck and a cooperative muse, they will be written too.
