Von Linda Wells : Memory: A Tale of Pride and Prejudice: Trials to Bear (Memory: A Tale of Pride and Prejudice Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Memory: A Tale of Pride and Prejudice: Trials to Bear (Memory: A Tale of Pride and Prejudice Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Eins meiner FavoritenVon fluxIn dieser Trilogie von Linda Wells treffen sich Elizabeth und Fitzwilliam fast 3 Jahre lang immer wieder, ohne je in Wort mit einander zu wechseln. Wenn sie endlich einander vorgestellt werden, sind sie hoffnungslos in einander verliebt und sind bald verlobt und dann verheiratet. Interessant ist die Entwicklung, die fast alle Charaktere durchmachen. Elizabeth und Darcy sind zwar sehr jung, sie unterstützen aber einander und reifen zu einem starken, sehr liebevollen Paar. Jane darf hier mehr sein, als nur das etwas fade Mädchen, das immer nur das Gute überall sieht. Georgiana ist ein anstrengender Teenager, die aber gerade noch vor ihrer eigenen Dummheit gerettet wird. Mr und Mrs Bennet werden als ein besonders schlechtes Beispiel für Eltern dargestellt. Der einzige, für mich nicht glaubwürdige Punkt, ist die Entwicklung von Mary, in weniger als einem Jahr vom hässlichen Entlein, das nur Fordyce's sermons kennt, zum schönen Schwan, der in London Society brilliert. Das ist zu viel des Guten. Aber alles in allem, 3 sehr schöne, lange Bücher, zum immer wieder lesen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Schöne Gefühlvolle TrilogieVon Kibby HuntFür PP Fans sind diese drei Bücher unbedingt zu empfehlen. Romantisch, gefühlvoll, viele Seiten, glaubwürdige Personen und gutes English. Ich habe die Geschichten schon mehr als einmal wieder aus dem Regal genommen.

KurzbeschreibungThe second volume of the Memory series, Trials to Bear, follows the newlywed couple Elizabeth and Fitzwilliam Darcy as they move beyond the heady days of courtship (Volume 1, Lasting Impressions). Both of them are very young, at only eighteen and twenty-four years old, neither is completely confident in their position and will rely heavily on each other to grow as one challenge after another comes their way. They will face the demons and fears of Darcys past, and provide an example of love and felicity that influences and ultimately changes everyone who touches their lives. Elizabeth will grow assured, no longer a shy girl insecure of her beauty or worth; she will become every day the woman who will undoubtedly be a force in London society, in whatever capacity she chooses to excel. The pride that Darcy feels for her will be evident no matter how it is displayed and he will confidently settle into his position as the master of Pemberley. The story continues in Volume 3: How Far We Have Come. These stories contain scenes of a mature nature.KurzbeschreibungThe second volume of the Memory series, Trials to Bear, follows the newlywed couple Elizabeth and Fitzwilliam Darcy as they move beyond the heady days of courtship (Volume 1, Lasting Impressions). His disabilities changed her from career woman to stay-at-home mom. Inspired by the 2005 film Pride and Prejudice, she purchased a copy of Jane Austen's novel, and fell under the spell of the unforgettable characters and story. Wondering about those characters eventually led her to discover the world of Jane Austen Fan Fiction, and decided to write down the story that was nagging at her, Chance Encounters. She has many ideas for new stories, and with luck and a cooperative muse, they will be written too.
