Nice love storyVon Querleser... if a bit too forced.Mark is a nice character, but really naive and stupid. His boyfriend Jamie is the perfect villain: cheating with gay and "straight" men and women alike (the whole city knows of his escapades - apart from Mark), stealing Mark's savings and getting more and more mean.Tony is the prince charming in shining armor: handsome, dominant and a bit dumb. He saves Mark several times from Jamie and is secretly in love with Mark since ten years. As he never spoke of his feelings or just hinted that he is interested, I suppose he is extremely shy (I know, that seems strange concerning is dominant alpha side, but there is no other explication for his ten years waiting).

Mark had a crush on Tony since ten years but won't say anything, either, he accepts that Tony is no more than his best friend. The day Mark caught Jamie cheating in their bed (with the fat and hairy landlord at that) everything's changed. Mark discovered that his savings are stolen and gets drunk with Tony (and of course they have sex). Two days later Mark and Tony can finally start their HEA and Jamie will supposedly disappear in jail for a long time. The story is short, so not surprising that it is superficial. Dialogues are nearly non-existing and the storyline is overly full of cliché and stupid but funny as well. After ten sentences (the only "monologue" of Tony) Mark states that that was the most he ever heard from him in all ten years of friendship! Maybe that explains why this couple lacks chemistry but covers that up with sex scenes. It is a nice story for a rainy day or a travel day by train, but not good enough to overly enjoy. The love story is not really convincing, but okay. As both guys are not really bright, they are well matched. If you don't expect too much, this is a nice enough book. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Witzig turbulent! Von moonflower Mark berrascht seinen Liebhaber mit einem anderen Mann im Bett und seine Reaktion darauf ist der Auftakt zu einer Reihe von weiteren turbulenten Ereignissen. Unterstützung findet Mark bei Tony, Polizist und langjähriger Freund von ihm. Außerdem ist Tony Mark's Highschool-Schwarm, aber nachdem Tony ihn damals abgewiesen hat, hat Mark nie mehr versucht, bei Tony zu landen. Jetzt scheint Tony allerdings nicht mehr abgeneigt zu sein. Aber Tony hat ein Geheimnis und er will auf keinen Fall, dass Mark davon erfährt..... Mark's Reaktionen auf Jamie's Betrug wirken vielleicht etwas kindisch und bertrieben, aber ich kann mir vorstellen, dass jeder, der schon einmal in der gleichen Situation war, gerne genauso gehandelt hätte. Meine volle Zustimmung hatte Mark jedenfalls. Was Tony betrifft, war es für mich nicht ganz nachvollziehbar, dass er in zehn Jahren keine Gelegenheit gefunden haben soll, Mark seine Gefühle zu gestehen und das "Hindernis" Jamie gab es ja erst seit ein paar Monaten. Aber was soll's. Es hat jedenfalls Spaß gemacht, diese witzige und unterhaltsame Geschichte zu lesen.

Kurzbeschreibung Coming home from work to find my boyfriend banging our hairy, married landlady in our bed was bad enough. Discovering Jamie had also cleaned out my bank accounts made it officially the worst day of my life. I think I can be forgiven for wanting revenge, even if a few little laws (and possibly Jamie's nose) got bent in the process. Fortunately, the law is on my side in the form of my oldest friend, Tony Gervase. I've tried to deny my attraction to the sexy trooper for years. After all, he made it clear long ago that he wasn't interested in me that way. But if the hot encounter in his kitchen is any indication, he is now. At least the day is ending a whole lot better than it began... But the morning after, the Jamie situation goes from bad to seriously messed up. The jerk's in more trouble than I could have imagined. And as it turns out, I don't know Tony as well as I thought I did either... Previously published, newly revised by author. 36,000 words
