Von Elise Logan, Emily Ryan-Davis : Menage on 34th Street before purchasing it in order to gage whether or not it would be worth my time, and all praised Menage on 34th Street:

Ab und zu laden sie einen Mann ein, da beide das brauchen. Dann kommt Hunter wieder zurck, der vor der Hochzeit zum Militr gegangen ist, ohne

sich zu verabschieden. Jetzt ist er bereit, seine Anziehung zu Kat und Liam zuzugeben, und entsprechend zu handeln. Damit diese Dreierbeziehung wirklich funktionieren kann, braucht es nicht nur Sex, sondern auch viele Gespräche. Wer nur ein lockeres Buch mit MFM Sex erwartet, wird von dieser Geschichte eher enttäuscht sein. Die erotischen Zusammentreffen sind sehr heiß. Aber was mich berzeugt hat, sind die Gespräche und Verhandlungen darüber, was geht und was nicht. Wenn in einer 3er Beziehung einer beim Militär in einer höheren Position ist, muss darauf Rücksicht genommen werden. Das ist der Grund, warum sich dieses Buch für mich von den Anderen dieses Genres abhebt und berzeugt. Eine Leseempfehlung für alle, die gerne glaubwürdige erotische Geschichten lesen.

Kurzbeschreibung Katrina and Liam Holland have the perfect marriage, a home in the trendiest part of Baltimore, and a scorching sex life. As another Christmas approaches, there's only one thing still on Kat's wish list: Hunter Croft. But she made peace long ago with his decision to choose the marines over their relationship. Until seeing him again arouses feelings she thought were in the past Hunter has spent a decade outrunning his attraction to both Kat and Liam. But now that he's stateside, his self-control crumbles when he comes face-to-face with the two people who star in all his favorite fantasies. Their reunion is both erotic and emotional and has Hunter wondering if three's really a crowd, after all. Liam can't imagine his life without Kat. But he can imagine a future where the three of them live and love under one roof. Liam and Kat have shared their bed with other men, but Hunter is the only one who could ever have a place in their hearts. And this holiday season, Liam intends to make their dream a reality. 43,000 words
