Finally we get to hear Xander's story - PERFECT!Von Bianca @BjsBBMY THOUGHTSThe book starts 12 years ago with Xander and how he's soooo madly in love with his girl Ivy.They're both just 18 and about to graduate high school - they plan on leaving LA to go to Chicago - to get away from their families. Other than his drunk of a father, Xander's family is not really bad, but Ivy's mother is depending too much on her - she pressures Ivy to become a famous actress

and make lots of money. But Ivy and Xander's real passion is MUSIC. Xander dreams of Ivy one day winning a Grammy - she's that talented. But things happen - bad things - and Xander has to end his relationship with Ivy. We don't find out what and how and why all at once - we go back in time a few times and piece by piece we find out what happened back then. The present day story is set 12 years later - Xander is managing his brother River's ex-band The Wilde Ones, but their new lead singer has some medical problems that's why it looks like the planned tour has to be cancelled. That's when Ivy shows up. She just split from her manager/fiancé Damon - and she's looking for something new - a new kind of music - not the pop-sound that Damon kind of forced on her. Xander is not really sure if he's happy about the new development - he still has feelings for her. He never loved anyone the way he loved her. He never loved anyone else at all. And because it means seeing more of Ivy, he lets her join the Wilde Ones and we find ourselves on a tour bus with the band and Ivy Xander. And even though Ivy still hates him for what happened 12 years ago - she still has all those feelings buried deep inside of her. She just doesn't know if she can ever forgive him... They spend a lot of time together on the bus, but Ivy only wants to be his friend. But Xander wants more - he wants everything, because his life isn't all that perfect. He finally wants more. He wants what he wanted 12 years ago - and now it could finally happen... And little by little he manages to gain Ivy's trust again - and her wanting him like crazy is really helping him too. Lots of things happen - bad things - sad things WILL THE TWO OF THEM GET THEIR HEA???

I'm not telling you that of course!! GO READ IT! _____ I LOVED THE BOOK!!!! Even though Xander is not a Rock-Star, the whole book still has this rock-star-feeling and I REALLY LOVE THAT... The book was so cute and moving - the way Kim describes the young Xander and what he had to go through.... and then everything that happens in the present... I laughed, I cried... But most of all I just ENJOYED the time I had with Xander Ivy! I was so happy when they finally got back together and then BAM!!! They're forced apart again... The book had sooo much emotion and story, I couldn't stop reading! So many interesting twists and new information about not only Xander and his past, but also about everybody else.... IT REALLY WAS THE PERFECT SEXY ROCK-STAR ROMANCE WITHOUT THE ROCK-STAR!! Well, ok - Ivy is a star - but a rock-star Romance - for me - has to have a male Rock-Star THANK YOU KIM!!!! And thank you for giving us a little bit of River Dahlia again.... have I mentioned that I cried a lot while reading this book??? and now PLEASE HURRY - I need to read the next book ASAP!!!!!!!!!!!!!!

Kurzbeschreibung Music has the power to heal, but not all broken hearts can be mended. Always in control, Xander Wilde considered life on the road to be a perfect fit for him. But when disaster strikes on the band's latest tour, fate intervenes and a newly single Ivy Taylor, the only girl he has ever loved, steps back into his life. After moving past her painful breakup with Xander years ago, Ivy was poised to become the next big name in music when suddenly she withdrew from the limelight the same day she announced her engagement to her controlling agent, Damon Wolf. Xander knows he should keep his distance. But once they're on the road, he can't resist pursuing her for a second chance. Yet a jealous Damon can't let her go and he's keeping dangerous secrets that could destroy them all. When the three of them come together, everything falls apart. But if Xander and Ivy can hold tight to the bond that connects them, they just might have a chance to reclaim the powerful love they thought they had lost forever....
