Action, Romantik und PowerfrauenVon Verena GehrkeAuch wenn ich aus dem "Young Adult" Alter raus bin bin, muss ich sagen, dass mir die Bcher von Ella Summers viel Spa machen.Es gibt viel Action, Heldinnen und Helden mit einer mal

mehr / mal weniger groen Klappe, ein bisschen Romantik und Gegner, die nicht ohne sind. Besonders toll finde ich den bergreifenden Handlungsstrang zwischen Serafina und Alexandria (und dann bald wohl auch noch Awakening). Beide Dragon Born haben zwar ihre eigenen Geschichten, die aber letztendlich doch zumindest teilweise zusammen gehen und deswegen dafr sorgen, dass es nicht immer nur einzig und allein um eine der beiden geht. In Dragon Born Serafina ist das leider etwas zu kurz gekommen, aber dafr in Alexandria umso besser umgesetzt. Toll finde ich auch, dass es kein Riesen Drama auf der romantischen Seite gibt, wie es leider in so vielen Young Adult Bchern ist. Natrlich ist es nicht immer einfach und das soll es auch gar nicht sein, aber es fehlt zum Glck dieses ewige "Will they / won't they" genauso wie groartige Eifersuchtsdramen. Negativ Den einen Punkt Abzug gibt es, weil die Gesprche mit den Bsen manchmal etwas unlogisch sind... Da ist man mitten im Kampf auf Leben und Tod und pltzlich hrt man auf, um sich mehrere Seiten lang ber den ganzen Plan und die Motive zu unterhalten. Das htte man etwas geschickter anstellen knnen. Fazit Trotz kleiner Fehler bin ich begeistert von der Dragon Born Reihe. Die Charaktere gefallen mir (Auch Nebencharaktere), die Story gefllt mir und wie alles ineinander bergreift. Definitiv eine meiner liebsten Supernatural-Reihen, und das sage ich, die schon so einige Bcher mitten drin weggelegt hat, weil sie einfach schlecht waren. Ich freue mich auf jeden Fall schon auf die nchsten Bcher!

Zum fnften Stern fehlen aber leider einige Kleinigkeiten - World Building zum Beispiel, da htte ich mir doch einige Erklrunen mehr gewnscht. Warum zum Beispiel luft die Hauptcharakterin mit einem Schwert durch die Gegend, wenn sie doch als Kmpferin ohne Magie oder andere bernatrliche Fhigkeiten auskommen muss? In der Welt von Kate Daniels wurde das ganz gut erklrt durch den wiederholten Ausfall der Technik - hier wrde man doch erwarten, dass sich eine angeblich "menschliche" Kmpferin angeblich ohne Magie einen Vorteil verschafft gegen all die Monster die sie platt macht und sich wenigstens eine ordentliche Waffe mit Fernwirkung zulegt. Die Charaktere sind interessant, eine Liebesgeschichte entwickelt sich genussvoll und ohne bertriebenen Eifer. Der Humor ist gut getroffen und das Buch gewrzt mit diversen witzigen Schlagabtauschen. Insgesamt sehr zu empfehlen, vor allem fr Kindle-Unlimited Nutzer. Mit etwas mehr Fokus auf die Etablierung der Welt und einigen logischen Erklrunen warum Dinge in dieser Welt sind wie sie sind wren es fnf Sterne geworden, aber auch so macht das Buch Lust auf mehr. Definitiv geeignet fr Fans von Kate Daniels (einige Parallelen ohne ein zu offensichtlicher Abklatsch zu sein), Mercy Thompson, Rachel Morgan.

Von Kunde I really read my share of fantasy/romance stories, nearly too much as I was slowly getting tired of the genre, although I love it. Many books are just too similar in their stories, characters and endings. And then I found the Dragenborn series by Ella Summers... I read all currently published books of the series in one week... the world Ella Summers created is simply stunning. I was completely sucked in, unable to stop until I read everything I could read about Serafina and Alexandira. I like the way Ella Summers approaches the topic magic and all the creatures of the fantasy world. Sera and Alex are totally amazing characters with so much humor, that I laughed a lot throughout the books. Their love interests are such a perfect match that you find yourself longing for someone as perfect for yourself as the love interests are for alex and sera. I'm currently waiting for Book 4 in the Serafina Series and I feel like an addict suffering from withdrawal.... Thank you for this series, Ella Summers, you made my daily life a lot more fun with them :) I totally recommend the books to people, who love a fantastic mix of fantasy, action, humor and romance all in the package of a beautiful writing style in their books.

Kurzbeschreibung Long ago, the Dragon Born were hailed as the most powerful mages in the world. Today, they are condemned as abominations and have been hunted to near extinction. Sera Dering has spent her entire life hiding her forbidden magic from the supernatural council who would kill her for the crime of being born. After years of drifting, shes finally found a new life working as a low-grade mercenary for San Franciscos oldest monster cleanup guild. Shes safe as long as she pretends to be human. But a dark and mysterious power is taking control of mages minds, and Seras guild sends her in to investigate. To save her city from a magical apocalypse, she must work together with a sexy and deadly mage who represents the very council that sentenced the Dragon Born to death. And if he finds out what she is, shell be next.

Mercenary Magic is the first book in the Dragon Born Serafina urban fantasy series. The Dragon Born Series The Dragon Born series can be read together or independently. Each series features a different protagonist (Sera, Alex, Naomi) and has its own story arc. There is also a larger story arc that connects all of the Dragon Born series together. Ella Summers has been writing stories for as long as she could read; she's been coming up with tall tales even longer than that. One of her early year masterpieces was a story about a pigtailed princess and her dragon sidekick. Nowadays, she still writes fantasy. She likes books with lots of action, adventure, and romance. When she is not busy writing or spending time with her two young children, she makes the world safe by fighting robots. Ella is the USA Today, Wall Street Journal, and International Bestselling Author of the paranormal and fantasy series **Legion of Angels**, **Dragon Born**, and **Sorcery Science**.
