**Von Patricia Rice : Merely Magic: A Magical Malcolms Novel (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Merely Magic: A Magical Malcolms Novel (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An enchanting tale of romance and passion!Von Sharon Galligar ChanceMagic rules over the hearts of lovers and friends once again, as romance author Patricia Rice presents her fans with another charming fairy tale of love and passion.

Ninian Malcom Siddons has always known she was a witch. After all, she is a Malcom woman and all Malcom women are witches. But Ninian uses her "gifts" as a healer to help the village where she grew up. But her life was solitary and lonely, that is until Lord Ives appears on the scene determined to turn her life upside-down. Drogo Ives is more interested in the stars and planets than everyday life, that is until he spies upon a pretty peasant girl who reminds him of moonbeams. The devilishly handsome lord finds himself entranced with the lady who claims she's a witch. With his thoughts turning towards having a family of his own, Drogo soon realizes that Ninian has cast a spell on his heart that can't be broken. A prolific author who is known for her contemporary and historical romances, Patricia Rice makes another stop in the realm of the magical and fantastical with her new novel, "Merely Magic." Rice sprinkles a generous dose of humor throughout her charming story of love and enchantment. Sharon Galligar Chance - Times Record News

Kurzbeschreibung When a magical young woman meets a dark aristocrat in a moonlit forest, neither dreams that a strange and powerful love is about to change their lives forever.... Kurzbeschreibung When a magical young woman meets a dark aristocrat in a moonlit forest, neither dreams that a strange and powerful love is about to change their lives forever.... Synopsis A woman gifted in the magical arts lives a lonely existence in the woods, until a chance meeting with a star-obsessed aristocrat sparks a mutual attraction that will change both of their lives forever.
