Von Norman Everhart : Messy Jessie (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Messy Jessie (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. well known story, still goodVon morganThis is a story that you can find almost everywhere: Popular guy (girl) falls for the silent/ugly girl (guy), loses his (her) status (or not), but is rewarded by true love and a happy ever after.Reminded me

of Nicholas Sparks' "A Walk to Remember" minus the tragedy. Still can recommend the story, it was well written. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A little boring Von eva__ I don't usually read a lot of YA fiction so maybe the lack of a plot is typical for books like this - but I was pretty bored. Jessie is the stereotypical "ugly duckling" with a secret past, and Robert is the stereotypical jock. Then of course they find each other. Meh.

Kurzbeschreibung Robert Johnson is leading the good life at his high school as the popular quarterback for the football team and dating the most beautiful girl in school. Then the science teacher partners him for a project with Messy Jessie, an outcast and object of ridicule by the students because of the frumpy clothing she wears and her timid nature. He soon learns that people are not always what they appear to be on the surface and his world goes out of control. Will he discover what matters most in life in time to make the difficult decisions he will face?

ber den Autor und weitere Mitwirkende Norman Everhart was born and raised in sunny CA. After a stint as an Air Force pilot, and meeting the love of his life, he started a family and settled in the suburbs of Seattle. A background in aerospace engineering and retail design triggered his passion for the creative process of writing. When he isn't writing, he enjoys spending his free time gardening, cooking and traveling.
