Von Rosemary Edghill : Met By Moonlight (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Met By Moonlight (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Kept me captivated!Von F. HuA wonderful mix of time travel fantasy and romance with compelling characters that brings to life the whole debacle of the Salem witch hunts in an eminently readable format. Her heroine is a bit flippant (although not as much so as some of Ms. Edghill's other heroines) and clings a bit too tenaciously to her modernisms

but I thoroughly enjoyed it. Am eagerly awaiting a follow-up in the same style...0 von 0 Kunden fanden die folgende Rezension hilfreich. Realistic and romantic! Von Ein Kunde Unlike a lot of time-travel romance, this one really FELT like the heroine was in another time, and that it was strange to her. The "wounded hero" turned out to be wonderfully heroic in the end, and the villain -- apparently actually a historical person! -- was wonderfully frightening. A true "keeper" and I sure hope there's a sequel soon!

Kurzbeschreibung It's Halloween, and Diana Crossways is more interested in getting to her coven meeting than in staying late to close up Witch Hunt, her Salem, Massachusetts occult bookstore. Besides, there's a big thunderstorm brewing, and she'd like to get to the covenstead before it breaks. Unfortunately, a special messenger has just delivered a rare book for restoration, and Diana wants to get it unpacked and take a quick look at it before leaving. She discovers the book is an ancient handwritten volume, nearly falling apart, but just as she begins to look at it, there is a violent crack of thunder and all the lights in the store go out. The storm gets worse and Diana is driven from the workroom clutching the book only to find herself outdoors on a starlit summer night in a strange wooded landscape. Twentieth-Century Salem has vanished. 1647 England isn't a good place to be a Witch. Even if you're about to meet the man of your dreams... Kurzbeschreibung It's Halloween, and Diana Crossways is more interested in getting to her coven meeting than in staying late to close up Witch Hunt, her Salem, Massachusetts occult bookstore. Besides, there's a big thunderstorm brewing, and she'd like to get to the covenstead before it breaks.
