Von Gene Stratton-Porter : Michael O'Halloran (Xist Classics) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Michael O'Halloran (Xist Classics):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A charming fable of American life in the 'teens Von Mike Halloran Because of my name, many have asked me over the years if I was familiar with Gene Stratton-Porter's book, "Michael O'Halloran". As a boy, I was given a copy containing the pen and ink drawings and stills from the "photoplay" and have treasured it since (I do not know if modern editions contain either set of illustrations). Re-reading it as an adult, I am still charmed by this tale of an

orphaned newspaper seller who asks nothing of the world except to "be square". It is easy to overlook major holes in the plot (for example, we never do know what is wrong with Peaches other than she is sick and can't walk), when we are presented with such a vivid description of American life in 1914 - even if some of the city scenes don't quite ring true. Though the characters suffer many hardships, the overall tone is so upbeat that it's easy to see why this book outsold "Pollyanna" in 1916. Stratton-Porter's skill as a naturalist make the country scenes especially vibrant. Her ear for dialog is unsurpassed showing the reader that, if life in America wasn't like this, it should have been. Having read this book, I am ready to believe that children and adults did speak this nicely to each other once upon a time. You, too, will wonder if the world wouldn't be a lot better off if everyone could just "be square".0 von 0 Kunden fanden die folgende Rezension hilfreich. Today's youth should be like Michael!Von Ein KundeI loved this story! I read it first when I was 17 or so and had already read many of the author's works. Michael has such an appreciation for life, and his "squareness" and determination to keep his family together in the face of poverty, illness, and wellmeaning interference really brings home how important family is. This story contrasts city life and country life--and makes you long for the country! The fresh, homegrown food, the clean breezes, the room to stretch and grow, the creeks with gravelly bottoms and nibbling minnows! This book will appeal to anyone who yearns for the simple life.

Kurzbeschreibung Nature brings Healing in this novel from Gene Stratton-Porter "A second later, Douglas Bruce entered. Rushing to Leslie he caught her to his breast roughly, while with a strong hand he pressed her ear against his heart. Now you listen, my girl! he cried, Listen at close range. Leslie remained quiet a long second, then she lifted her face: adorable misty-eyed, and tenderly smiling. Douglas, I never listened to a heart before. How do I know what it is saying? I can't tell whether it is talking about me, or protesting against the way you've rushed around." Gene Stratton-Porter, Michael O'Halloran In Michael O'Halloran, an orphaned newspaper boy dedicates his life to caring for another orphaned child. Xist Publishing is a digital-first publisher. From Library JournalOriginally published in the early 1900s, this volume tells the story of the title character, a plucky orphan growing up in a Midwestern metropolis. O'Halloran's existence is dismal until he meets another orphaned child, and together they try to make a life for themselves. A little hokey, but stick with it.Copyright 1997 Reed Business Information, Inc.Kurzbeschreibung Nature brings Healing in this novel from Gene Stratton-Porter "A second later, Douglas Bruce entered.
