Lust and passion sizzle on every page!Von Sharon Galligar ChanceA heartbreakingly handsome, obstinate cowboy and a beautiful, determined woman are the central players in Eileen Wilk's latest novel, "Midnight Cinderella." Part of Silhouette's Way Out West series, readers will find unbridled lust and passion sizzling on every page of this captivating novel. Hannah McBride was a woman who was comfortable with herself. The red-headed Texas beauty was confident in her nursing and "people" skills, and her reassuring, efficient bedside manner had won over many grouchy patients. When she was hired by Nate Jones to care for his injured brother, Mark, Hannah knew she had her work cut out for her. Not only did she have to convince him of her nursing abilities, she also had to convince herself

that Nate was just her employer and nothing more. She had to find some way to ignore the fact that the very look in the handsome rancher's eyes made her knees weak and her heart melt. Nathan Jones had been through hell and back, all because of love. His life had been destroyed by that very emotion, and he was never going to let it happen again. All he was interested in was getting his younger brother back on his feet, and keeping his ranch going. Then, nurses' aide Hannah McBride appeared in his life, the very sight her wild red hair searing his soul. Nate's heart of stone began crumbling bit by bit. Could he open himself up to the possibility of love again? "Midnight Cinderella" is a fine example of the classic cowboy-gets-the-girl love story. With her outstanding attention to detail and description, author Eileen Wilks breathes life and love into her fascinating characters. She will truly prove herself to be another top Texas romance author to watch for in the future.

KurzbeschreibungWAY OUT WESTLONE-STAR LONER?Nathan Jones was the richest rancher aroundbut he was the outcast of Bitter Creek, Texas. Once his hometown's Prince Charming, his love for the wrong woman had cost another man his life. Now a fallen hero, Nate swore no one would ever break through the impenetrable fortress he'd built around his heart.But Nate had never counted on the sweet beauty of Hannah McBride. What was it about his injured brother's nurse that had Nate hungering for her healing touch? Even though her innocent heart was as transparent as a glass slipper, hadn't Nate learned there was no such thing as happily ever after?Because there's nothing like a cowboy.KurzbeschreibungWAY OUT WESTLONE-STAR LONER?Nathan Jones was the richest rancher aroundbut he was the outcast of Bitter Creek, Texas.
