Von Dana Stabenow : Midnight Come Again (A Kate Shugak Investigation) before purchasing it in order to gage whether or not it would be worth my time, and all praised Midnight Come Again (A Kate Shugak Investigation):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Heartwrenching mysteryVon Ein KundeNo one seems to know where Kate Shigak is. The Aleut private detective owns and normally homesteads one hundred and sixty acres in the Alaska National Forest. However, Kate has disappeared. She still struggles with the loss of her beloved thanks to a maniac's bullet, a situation that has left her

feeling empty and barren. Kate has traveled to an isolated fishing village in the Bering Strait under an assumed name. She fills her entire day working double shifts and more handling freight for Baird Airlines. Her life changes again when her boss hires someone to work the second shift. Kate recognizes the new employee as State Trooper Jim Chopin, who is working undercover for the FBI. He is looking for the plutonium that the Russian Mafia has apparently smuggled into the area. When Jim is hospitalized with a bullet wound, Kate takes over the investigation. The star of a Kate Shugak novel is usually Alaska, but in MIDNIGHT COME AGAIN the emotionally raw lead protagonist takes center stage. Kate is in transition as she grieves her loss while struggling to learn how to live life without her heart. Dana Stabenow serves up a fascinating and emotionally moving story line that keeps the reader's interest from first page to last. Fans of unpredictable, event-laden tales with plenty of regional color will gain much pleasure from Ms. Stabenow's latest achievement. Harriet Klausner 0 von 0 Kunden fanden die folgende Rezension hilfreich. excellent reading Von rhonda dudley I cried at the end of Hunter's Moon so I impatiently waited the release of her new book. Kate hid herself very well, but Chopper, Jim Chopin finds her by accident and the sparks fly. Involvement in a new mystery helps her regain her old self and to start to put her past tragedy behind her. We are also introduced to new characters, which we are sure to read about in the future. Also, there is a physical attraction between Jim and Kate which neither one is willing to accept. Finding the killers, fighting her feelings for Jim, believing herself responsible for her friend's death, comforting her friend's daughter, and uncovering the reason for the murders has Kate slowly emerging from existing to living. The ending is as riveting as all the others have been. The next book I'm sure, will be as excellent as the one's preceding Midnight Come Again. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Gutsy Von John Elliott In the best Shugak tradition this one goes straight for the gut and then kicks you in the crotch. Unlike other Shugak books this one spends more time from Jim Chopin's point of view than Kate's, but it gives a better feel for the action that way. Like all mysteries there has to be some difficulty in solving the crime and this time it's Kate and her grief. That is when it's not Chopin's emotional issues getting in the way. I knew after "Hunters Moon" that the next book would be a real emotional wringer and this book did not let me down in the least. While the mystery here is easy to solve the reason I couldn't put down the book until I finished it is that Kate is so real and so spell binding. I can't wait for the next one. I rate Dana Stabenow up there with Dick Francis and Kate Shugak with Travis McGee.

Kurzbeschreibung KATE SHUGAK is a native Aleut working as a private investigator in Alaska. She's 5 foot 1 inch tall, carries a scar that runs from ear to ear across her throat and owns half-wolf, half-husky dog named Mutt. Resourceful, strong-willed, defiant, Kate is tougher than your average heroine and she needs to be to survive the worst the Alaskan wilds can throw at her. MIDNIGHT COME AGAIN. Kate Shugak is hiding out in Bering, Alaska. Scarred, scared, and pretending to be someone else... But Alaska State Trooper Jim Chopin, Kate's best friend, needs her to help him work a new case. He discovers her hiding out in Bering, a small fishing village on Alaska's western coast, living and working under an assumed name working hard, as 18-hour workdays seem to be her only justification for getting up in the morning. But before they can even discuss Kate's last several months, or what Jim is doing looking for her in Bering, they're up to their eyes in Jim's case, which is suddenly more complicated and more dangerous than they suspect. .deAleutian PI Kate Shugak is hiding out in Bering, Alaska. Scarred, scared, and pretending to be someone else, she's trying to find a reason to go on living after the murder of her lover and her own close call with death (Hunter's Moon). Her self-imposed exile is threatened when Chopper Jim Chopin, a state trooper from her home village in the Bush, arrives in Bering with a new identity of his own. Tagging along are a couple of (barely) undercover FBI agents who think that criminals aboard a Russian fishing vessel docked in Bering's harbor are attempting to smuggle stolen plutonium into the United States to sell to terrorists. But Kate suspects that the Russians are involved in a very different game: laundering money through a local bank. To prove it, she enlists the help of an old college friend who happens to be the bank's chief teller. But getting the evidence costs Alice Chevak dearly; once again, Kate fears, she's brought death to someone she loves. In this ninth outing for her popular series heroine, Dana Stabenow adds depth, texture, and vulnerability to Kate's inner life; reveals new aspects of Jim Chopin's character; and introduces Alice's daughter Stephanie, with whom Kate forges a bond of love and obligation that promises the youngster an ongoing role in future Kate Shugak's adventures. An expertly paced and plotted thriller with moody, moving undertones, Midnight Come Again will please the author's many fans and likely win her new ones too. --Jane Adams.comAleutian PI Kate Shugak is hiding out in Bering, Alaska.
