book, *Midnight Enchantment*, is her best to date. This story is about Gerard Pasquale who had tormented poor Louis Radman for centuries. After 400 years of existing as a vampire, all Gerard wants is to be left alone. He is in New Orleans, weak - merely existing. His powers at an all time low. His recovery is slow because he had lost his will to go on. It is here that his existence as a vampire is discovered and in danger of being disclosed. He is blackmailed into marrying a mortal woman, Laure Cristobel. She does not know with whom she has tied herself with. She believes Gerard to be ailing and in need of companionship until the truth slowly begins to unravel before her very eyes. Even though she is fearful of being married to a vampire, she begins to fall in love with him. But treacherous times await the couple as a dangerous plot draws ever closer. As a secret enemy awaits the precise moment in which to strike . . . Gerard Pasquale is still the "naughty" vampire. He is brooding, handsome and very, very dangerous. Laure's love has the power to overcome her fear, to see behind Gerard's unemotional facade to the man he uses to be. A man who longs for acceptance and love. *Midnight Enchantment* is an awesome read and definitely a KEEPER. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Finally Gerardo love found you.. Von Ein Kunde I must say that this book is in the very best tradition of Nancy Gideon. I fell in love with Gino aka Loius and Gerardo from the first book. They are beautifully written ,while reading I can see the characters come alive. I am a devoted fan. Its a definet keeper as with all her books. 0 von 0 Kunden fanden die folgende Rezension hilfreich. BEAUTY AND THE BEAST Von Ein Kunde I was thrilled to find the saga continue with Gerard's own storyline. I learned to love him as much as Louis (well, almost as much). To look past his darkness and find he truly has a heart...and the heroine, a woman that looks into that heart and finds the love of her life. A vampire at odds with 400 years of practiced survival skills, not remembering what it was like to be human and despising the weakness of "love". Laure, a strong and intelligent woman, who doesn't back down even when in the company of her husband, a self-proclaimed monster. I didn't put the book down until I'd devoured every bite. I eagerly await *Midnight Gamble*. I'm going to reread the first books in this vampire romance series, again. Thanks again Nancy Gideon! I'm glad Gerard did see the "Light of the day!"
