certificate; she needs it to get a passport - to go on a trip to Aruba with a friend. Once the new certificate arrives, she accidentally finds out the name of her birth mother! And off she goes to meet that woman in Arizona, without telling her parents and without even knowing if that woman is the right person! But then first her car dies on her and instead of Bonnie Martin, she finds a sexy cowboy at the house. The sexy cowboy is our Justin, of course. We all remember him from the last book - he works at Rohn's ranch. And when he's not working he's trying to keep his mom alive. She's been extremely depressed since his dad died ten years ago and then his brother died in Afghanistan two years ago. Time for a little roadtrip to forget about things for a while. Rohn offers him a bit of money to drive to Arizona to pick up his future mother-in-law's furniture from their old house. She moved back to Oklahoma to be closer to her daughter. Instant attraction between Justin and Phoenix of course, but Justin doesn't have time for women and Phoenix should be concerned with bigger problems at the moment... But somehow she talks him into taking her to Oklahoma with him... WHAT WILL HAPPEN TO Phoenix Justin??? WILL THE TWO OF THEM GET THEIR HEA??? WILL THERE BE A CLIFFHANGER?? I'm not telling you of course! _____ I really loved this story!! Justin is such an adorable guy!!!! The way he takes care of his mom, works really hard and has no time for a girlfriend. He has to be strong for his mom, but he's still grieving for his brother too... Ugh, I just wanted to hug him! And adorable Phoenix... she's so sweet and she's falling fast for our Cowboy - who thinks he won't ever be able to be enough for Phoenix - for as long as his mom still needs him. I loved how Justin's book has this connection to Rohn's book! I loved seeing Rohn and Tyler again! I think this is my favorite book in this Hot-Cowboy series!!! Midnight Heat was a really adorable and moving Cowboy Road-trip Romance! You'll sooo want your own Justin after reading it!
