Haigwood Anne ConleyReviewed by : Stephanie Jordan This was a really loooonnnngggg novel.After reading so many short one it was

hard to read these more than Sixty Two chapters. I'm counting on you to fall in love with Mena, as I have. This is one strong and powerful woman. Mena Hoke buried her husband of twelve years, Marc and realized she didn't know him at all, didn't know his secrets. Marc was a werewolf and an Alpha! Because Chris bit her she became a werewolf and then Mena killed Marc now she's the Alpha. Alpha to a Pack of werewolves Mena didn't even know existed let alone be there alpha in fact what does an alpha do? To Mena, Phoenix, The Vampire King of Montgomery is starting to rub off on her and slowly she's falling in love with him. But then there is Alex Rhodes the detective who is trying to solve Marc's murder. Plus then we have Ace, Alpha to the Pride, yep all these men want something to do with Mena. Who will she pick? I was gifted this ARC for an honest and truthful review.

Kurzbeschreibung Mena wants the Master Vampire of Montgomery, Alabama, but the wolf inside her wants the human homicide detective working the case of the man she murdered.
