Von Peggy J. Herring : Midnight Rain (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Midnight Rain (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein Vigilante Roman im besten SinneVon high artKlappentext:On a dark October night in the San Antonio College parking lot, Bridget McBee is confronted by a man who sends fear and terror tumbling deep into the pit of her stomach.Suddenly out of nowhere, a car pulls to a screeching halt and the man threatening Bridget finds himself staring into the barrel of a gun - a gun in the hands of a woman who is now towering over the both of them. Within

moments, the woman with the gun has subdued the man and is ensuring that Bridget is unharmed. After dropping a business card in Bridget's lap, the mysterious woman disappears as quickly as she had arrived. Now several days later, Bridget McBee is determined to find the woman who saved her life. Too bad there's only three words printed on that card - certainly not enough information to identify her hero.....

Meine Meinung: Auf dieses Buch muss man sich erst mal einlassen...sich vielleicht Ungewohntem öffnen und dann packt es einen total. Als das erste mal Kate the Lesbian, wie sich die Retterin/Heldin in Superhelden-Manier nennt, flüchtet, hab ich gedacht ich lege das Buch weg, was für ein Schwachsinn. Jetzt bin ich froh drangeblieben zu sein. Die Geschichte ist zum Schreien komisch, selten so gelacht und mitgefiebert. Liebe kommt sicherlich nicht zu kurz in diesem Roman (brigens einer der wenigen von Bella Books ohne ausschweifende Sexszenen, sehr zu meiner Freude) steht aber nicht im Mittelpunkt. Lasst euch überraschen :). Empfehlung: Neuem öffnen und lesen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Midnight Rain Von Cardenio This book is indeed different from a lot of what Bella Books publishes. But that is not a bad thing either. Herring puts together a story that is both fun and thrill. It is also relevant as she discusses assault on women and the sometimes cavalier way this is handled by the law. Kate the Lesbian is not quite the super hero she seemed to be but a human being. Herring seems to open a meta discourse, when her characters repeat: Keep an open mind, because you will certainly need to when reading this. But you will be rewarded with a delightful read, exciting, and humorous.

Kurzbeschreibung On a dark October night in the San Antonio College parking lot, Bridget McBee is confronted by a man who sends fear and terror tumbling deep into the pit of her stomach.
