life: Working at Rohn's Ranch by day and enjoying the ladies and a cold beer and good steak at night. That's the plan for the next few years, until he's ready to settle down with the perfect girl. That is until he meets the widowed lady from next door to Rohn's farm. She's twelve years older than Tyler - but he's so damn attracted to her, that he offers his help in fixing things on her ranch. Things that she just doesn't have the money or talent to fix. And of course Janie is equally attracted to Tyler. But she's so sure that that has got to be wrong....not that she's old enough to be his mom, but still...12 years is a lot. But he's just so hot especially when he's worked up a sweat and ditched his shirt WHAT WILL HAPPEN TO JANIE TYLER???. WILL THE AGE DIFFERENCE BE TOO MUCH?? WILL THE TWO OF THEM GET THEIR HEA???. WILL THERE BE A CLIFFHANGER?? I'm not telling you of course!

I really enjoyed this book. It wasn't my first Cat Johnson cowboy romance.... so I knew what to expect - and Midnight Ride did not disappoint one bit. It was funny and sexy and moving and just adorable. A really great Oklahoma Romance in a beautiful setting with a really great hero and heroine and great co-stars. I'm normally not such a big fan of huge age differences between my book characters - Janie is 12 years older than Tyler - but it wasn't really that bad. I would've hated it if Janie would've been way over 40. But since I'm 37 myself I couldn't hate the fact that a hot cowboy is attracted to her. Two little things I didn't like all that much: the sex doesn't happen until way after the middle of the book - I had expected a bit more sexiness - but it was still really romantic and sexy. And - kind of a hard-limit for ME in my romances: Church and religion :(I don't want that in my books. It wasn't all that bad - they just went to church once and talked about it a bit - but it's just my personal hard-limit. But all in all I really loved the story - especially Tyler Midnight Ride was a really adorable sexy Cowboy romance. Gives us 'old' ladies some hope that we're not yet ready to be put out to pasture. Okeydokey - ready for the next hot cowboy now

Kurzbeschreibung One bucking bronco... Oklahoma ranch hand Tyler Jenkins is too young, too sexy, and too damn wild to be tied down by any single woman for more than a few steamy hours. One hard-working widow... Widowed rancher Janie Smithwick is too busy paying off her debts to play rodeo with a reckless young cowboy like Tyler--no matter how hot he gets her. One midnight ride they'll never forget... As a rule, Janie should be dating a man her own age, like her handsome neighbor Rohn--not the twenty-four-year old ranch hand he employs. But once Tyler gets Janie alone--held tight in his arms, pressed against his hard muscled body, burning with desire--the widow realizes that some rules, like broncos, are meant to be broken.
