Von Laurel O'Donnell : Midnight Shadow (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Midnight Shadow (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Excellent! Excellent! Excellent!Von editor210I have ready every book Ms. O'Donnell has written. Once again, she has not disappointed me. Her words bring life to her charcters. You are literally transported into another time and another world. That is what she has done with her story about Terran Bria. Terran, a strong and mighty warrior yet foolish.

Bria, a strong and loving woman (who believes in heroes) who brings healing to a wounded and foolish heart. Bria was forced to marry her enemy, Terran is not your typical love story we are so used to reading. Trust me, their story is different and will keep you so involved in their lives that you will be pulling for them. On the other hand, Kenric, the villain, you will not like a bit. In fact, I found myself shouting to Terran "wake up" and see the true person Kenric really is! If you want to find a book where you can escape, and one that will leave you wanting more, then this is a MUST READ! My only complaint is that I read the book too quick! I couldn't put it down. I tried to make it last but I was so caught up in the story. Oh well, just means I'll have to read it again and again. I highly recommend this book. Thanks Ms. O'Donnell once again for writing such a wonderful story!

1 von 1 Kunden fanden die folgende Rezension hilfreich. **Midnight Shadow** Von **Affaire de Coeur** Terran, Lord Knowles, is shattered. His fiancée Odella poisoned herself rather than marry him, and her last word was another man's name. But he needs another betrothal-- and another dowry--or his estate will go to ruin. His cousin thinks that Bria Delaney would be a perfect choice. Bria would beg to differ. It's bad enough that at eighteen, she is finally being made to marry. After her friend Mary disappears and is presumed dead, guilt about Mary and anger at the high taxes propel her to don the disguise of the Midnight Shadow. She is very handy with a sword and able to protect herself. In the midst of this, Bria finds herself married to Terran and falling in love with him. Terran wants her to reveal the identity of the Midnight Shadow. Bria wants to reveal the identity of the real villain of the keep. Though both main characters are led by their emotions and feelings of guilt and remorse. The villain seems obvious, the Robin Hood figure and the setting make for an enchanting, mythic tale.

Kurzbeschreibung When the unjust rules of a neighboring lord terrorize her friends, a LADY dons the mask and cloak of her childhood hero to right the wrongs and save them from oppression. Torn between the woman he longs to trust and the outlaw he has vowed to hang, a LORD vows to find the truth. Will a legendary hero find love in the arms of her enemy? **MIDNIGHT SHADOW.** Lady Bria Delaney Raised on the adventurous stories of the Midnight Shadow, Bria Delaney longs to wield a sword and fight against tyranny. When the unjust rules of a neighboring lord terrorize her friends, she dons the mask and cloak of her childhood hero to right the wrongs and save them from oppression. After encountering Lord Knowles, she is stunned to find her fierce attraction to the very enemy she has secretly promised to destroy. Lord Terran Knowles Accustomed to victory at tournament, Terran Knowles lives a life of luxury and ease. When he returns home and finds his coin has dwindled, he must turn to an old betrothal and its dowry to keep his coffers full. Adding to his financial woes, a thief known as the Midnight Shadow strikes his land at night, stealing his coin. His intended betrothed is a headstrong, beautiful woman who immediately intrigues him. Torn between the woman he longs to trust and the outlaw he has vowed to hang, Terran vows to find the truth. Will the Midnight Shadow triumph over oppression? Can the heat of passion overcome the chill of suspicion? Will a legendary hero find love in the arms of her hated enemy? **Midnight Shadow** is a medieval romance adventure filled with excitement and intrigue, secret identities and dangerous enemies, suspense and action, and an undeniable passion that rises above all fears.
