Von Jennifer Blake : Midnight Waltz (Louisiana Plantation Collection Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Midnight Waltz (Louisiana Plantation Collection Book 2) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich.
Excellent Book Von Maria R. Varecka "Midnight Waltz" is not your usual romance novel; there are some surprising

twists and turns. First off, let me say that I love romance novels and if they are set in Louisiana, that's a big plus. Amalie, the heroine, is in an arranged marriage to Julien Declouet. They live on a plantation named Belle Grove, with Julien's mother and sleep in separate bedrooms, as was the custom in those times. Julien's cousin, the handsome Robert Farnum, lives hereby and is a frequent visitor to Belle Grove. He respects his aunt, Julien's mother, and will do anything for her. Julien and Amalie have been married for three months, but still the marriage has not been consummated, although he has tried once or twice. One night, Amalie is visited by a man who she thinks is her husband. Their interlude is wonderfully sexual and romantic, but it's so dark that she can't see his face and assumes it is her husband. At breakfast the next morning, Julien acts as if nothing transpired between himself and Amalie the night before which puzzles Amalie. But that night again, and the night after that, she is visited by her lover and they spend rapturous hours together-- and that is the setup for the rest of the story!

Jennifer Blake transports the reader to the bayous of Louisiana and the streets of New Orleans. "Midnight Waltz" has an intriguing, very dark side in addition to the romance. The story takes some surprising twists and turns which the reader really doesn't expect. The secondary characters are as vital to the story as the Amalie, Robert and Julien. This is the first book by Jennifer Blake that I have read and it won't be my last. If you're in the mood for some romantic suspense and intrigue set in the steamy, sexy bayous, read this book.

I recently re-read it, just for the fun of it. You will come to think of Amalie and Robert as your friends--they will stay in your mind--you'll find yourself thinking: let me go back to New Orleans and spend some time with them... One of the things that I liked the most about this book is the strength of its heroine, Amalie, ...she is not prone to faints spells or weeping and so on, but is a "take action" kind of heroine. Robert is so passionate and sweet that you cannot help but to root for him and Amalie to be together once and for all. (The secondary characters are interesting too!) I absolutely love this book, this is one of Ms. Blake's best. Please read this book and then write what you think of it here!

Unterhaltsam und romantisch Von Pnktchen Die Geschichte um Amalie, ihren Mann Julien und dessen Cousin Robert hat mich einige Tage an meinen Kindle gefesselt. Es ist schn neben dem Liebeswirrwarr, das bei einer solchen Romanze zu erwarten war, auch noch etwas Geschichte und Spannung zu finden. Die leicht zu durchschauenden nichtlichen Besuche, die den Leser etwas unterfordern, wurden durch wahre geschichtliche Begebenheiten ausgeglichen. Insgesamt eine spannende, leidenschaftliche Geschichte, bei der das Happy End ziemlich lange auf sich warten lie.

Kurzbeschreibung He came to her in the dark of the moon Arranged marriages are common among Louisianas aristocratic Creoles, but Amalie's new husband shows little interest in his bride. That is, until his handsome cousin Robert arrives at Bonheur Plantation. How can the man she married remain so cool and aloof during the day while approaching her with such tender passion at midnight? Robert declines the outrageous favor asked of him yet some sins are impossible to resist As mystery, deception and murderous danger stalk the sultry land, Amalie and Robert must choose between love and duty, between desires sweet rhapsody and the painful truth.

From Library Journal This 1984 romance novel finds protagonist Amalie Peschier, mistress of a Louisiana plantation, questioning her relationship with her husband.
