Von Laura Kinsale : Midsummer Moon (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Midsummer Moon (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. Der witzigste aller Kinsale RomaneVon CustomerEigentlich ist es eine gewnliche Geschichte fr einen Liebesroman: Er lernt sie durch eine Verwechslung kennen, sie landen schnell im Bett, er will sie aus Ehrengrnden heiraten, sie hat Angst ihre Unabhngigkeit zu verlieren durch die Ehe mit ihm und zum Schluss passt alles.Das ist der grobe Plot. Was

das ganze auergewöhnlich macht ist der Humor, den ich noch in keinem Kinsale Buch so großartig fand. Sie - Merlin - ist nämlich eine zerstreute Wissenschaftlerin, gegen die er mit seinem gewohnheitsmäßigen Charme geradezu machtlos ist, was ihn natürlich wahnsinnig macht. Die Gestalt der Merlin ist so liebevoll gezeichnet und der Held ein klassischer Kinsale Held, dass viele gemeinsame Szenen der beiden sehr unterschiedlichen Charaktere zum lauten Lachen beim Lesen führen (für historische Liebesromane eher ungewöhnlich). Daher eine klare Empfehlung: Unbedingt lesen und lachen! 0 von 0 Kunden fanden die folgende Rezension hilfreich. My favorite book of my favorite author! Von Debra Fitch I don't care what the others thought. I still believe this to be THE best of Kinsale's books. The inventor was just SO smart that she invented things to improve HER life (such as the talking box aka phone) and never considered that others would find it a miracle. Once her invention works, she forgot it and went on to the next. She was not absent minded or dense. She was just so smart she moved on. This is my all time favorite of Laura Kinsale's books. That is saying something since Laura Kinsale is my personal all time favorite author! I can hardly wait for "Enchanter" to come out within the next year!

Kurzbeschreibung A duke's well-ordered world is turned upside down when a female inventor sends his heart soaring in this Regency romance by a New York Times bestselling author. Merlin Lambourne has invented the speaking box, a sort of telephone which is so valuable that Napoleon has killed for it. Sent by the crown to bring both inventor and invention to safety, Ransom Falconer, Duke of Damerell, is shocked to learn Mr. Lambourne is a Miss. Perhaps more shocking, however, are his feelings for the eccentric genius. She is everything he doesn't like: incapable of following orders, unaware of conventional etiquette, preoccupied, disorganized, and unkempt. Yet she beguiles him. One of the most ingenious inventors in England, she is also one of the country's greatest hopes in the defense against the power mad Napoleon Bonaparte. Now, if he could just get her mind out of the clouds and convince her to marry him ... Merlin is not absentminded, it's just that she only seems to be able to pay attention to one thing at a time. And maybe she does take everything people say literally, but people ought to say what they mean. Now this Ransom Falconer wants her to forget her current interest in flying machines and focus on the speaking box she's lost interest in finishing. It's quite disconcerting. In fact, everything about him is disconcerting; in her isolated life Merlin has never met anyone who affects her quite like Ransom does. With her trademark blend of heartwarming characters and a hilarious conflict, *Midsummer Moon* is yet another winner from the author of *Flowers from the Storm*, praised by Lisa Kleypas as the gold standard in historical romance.
