Von Mark Olshaker, John E. Douglas : Mindhunter: Inside the FBI's Elite Serial Crime Unit (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mindhunter: Inside the FBI's Elite Serial Crime Unit (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 2 von 2 Kunden fanden die folgende Rezension hilfreich. Ego! Von Richard Brooke Amazing look at the mind of serial criminals. But the biggest frustration is the constant use

of "I", "I", "I..." John Douglas makes it seem like he was responsible for the creation of the world, Nixon's resignation and the end of the Cuban Missile Crisis. His narrative style is annoying, but filled with great insight. If he would show instead of telling and taking credit for all of it, it would be a much better book.4 von 4 Kunden fanden die folgende Rezension hilfreich. Mind Hunter Von Jim Hamilton The book takes way too long to get into the specific details of how the FBI's elite, interesting unit investigates and solves crimes. Instead, the author uses the book as a means of illustrating how much of an expert he is and goes into boring details of his upbringing, with unnecessary stories of how athletic and tough he is. Again, I felt that he used this book with the main priority to promote himself.0 von 0 Kunden fanden die folgende Rezension hilfreich. FBI knows how to hunt Von A. Toygar Abak After reading this book with great excitement, I understand that Sherlock Holmes is not a magician. And also there are several of him in FBI. The book begins as a breath taking novel, and you immediately get into criminal profiles with even disturbing crime scenes. Sometimes you are confused of dates of events, but in general you can feel like a crime specialist putting yourself into a serial killers' position. A great book for whom like pscological investigations of criminals.

Kurzbeschreibung Discover the classic, behind-the-scenes chronicle of John E. Douglas twenty-five-year career in the FBI Investigative Support Unit, where he used psychological profiling to delve into the minds of the countrys most notorious serial killers and criminalsthe basis for the upcoming Netflix original series. In chilling detail, the legendary Mindhunter takes us behind the scenes of some of his most gruesome, fascinating, and challenging casesand into the darkest recesses of our worst nightmares. During his twenty-five year career with the Investigative Support Unit, Special Agent John Douglas became a legendary figure in law enforcement, pursuing some of the most notorious and sadistic serial killers of our time: the man who hunted prostitutes for sport in the woods of Alaska, the Atlanta child murderer, and Seattle's Green River killer, the case that nearly cost Douglas his life. As the model for Jack Crawford in The Silence of the Lambs, Douglas has confronted, interviewed, and studied scores of serial killers and assassins, including Charles Manson, Ted Bundy, and Ed Gein, who dressed himself in his victims' peeled skin. Using his uncanny ability to become both predator and prey, Douglas examines each crime scene, reliving both the killer's and the victim's actions in his mind, creating their profiles, describing their habits, and predicting their next moves. Pressestimmen John Douglas knows more about serial killers than anybody else in the world. Kurzbeschreibung Discover the classic, behind-the-scenes chronicle of John E.
