**Von Rita Herron : Mindless (Demonborn Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mindless (Demonborn Book 2) (English Edition):

Kurzbeschreibung Mindless with desire, tormented by evil Quinton Valtrez's demonic powers tempt him toward the dark side, but he's learned to channel them for good by working for national security. But a sinister force is stalking the South, one that he senses may be part of his own dark legacy. And he will do anything to destroy it. Anything but succumb to the seductive reporter out to expose him. Reporter Annabelle Armstrong is tough, independent and determined to unravel the real story behind Quinton Valtrez. For she suspects he is a cold-blooded assassin working for the government. But nothing prepares her for the raw hunger his touch evokes or the fact that he is part demon. Quinton has never experienced such mindless dark hunger for a woman but how could Annabelle possibly love a demon? Then the killer targets Annabelle, and Quinton will risk everything his life, his heart, even exposure to save her.
